MORNING SESSION

1. The vice moderator, J. Marvin Smith, called the meeting to order promptly at 10 a.m., the appointed hour, in the absence of the moderator, James W. Mason, who was unavoidably detained by his business. Horace V. Kinney led in the singing of the hymn, "My Hope Is Built."

2. The opening devotional was led by J. Harvey Clark, East Rockingham, who read 1 Corinthians 3:5-11, led in prayer, and spoke briefly on "Christ Our Foundation."

3. The order of business was presented as printed by H. V. Kinney, member of the program committee, and upon motion, duly seconded, was adopted.

4. Dan Gore, Rockingham, associational Training Union director, spoke on "Forward Together in Training Union." He reported 525 at the last "M" Night, 1100 Training awards granted during the year, representatives from three churches at the forthcoming Regional meeting (Cartledge Creek, Hamlet First and Rockingham First), 110 attending Youth Night at Pee Dee Church under the direction of Billy G. Rivers, and his hope to have 800 at the next "M" Night to hear speaker John E. Lawrence.

5. Don Hill, Hamlet, led in singing, "Showers of Blessings."

6. Mrs. G. C. Luther, Ellerbe, associational superintendent of Woman's Missionary Union, brought a splendid message on "Forward Together in Woman's Missionary Union." She spoke of this organization in relation to world missions. She said the world should be likened to a neighborhood rather than to a stage. Mrs. Luther reported that there was a W.M.U. in every church in the association except two.

7. The appointment of two committees to report later during the day was announced by the chairman, J. Marvin Smith, as follows: *Committee on Place and Preacher*—J. B. Willis, chairman, Cecil Smith, C. O. Funderburk, alternate, B. B. Covington; *Resolutions Committee*—Howard S. Price, chairman, Mrs. T. C. Faircloth, Doran E. Cooke, alternate, J. H. Clark.

8. The roll call of the churches was conducted, with the following response: Bethel, 20; Cartledge Creek, 2; Cobb Memorial, 9; Cordova, 9; East Laurinburg, 7; East Rockingham, 0; Ellerbe, First, 6; Norman Mission, 4; Faith, not called; Gibson, 0; Hamlet, Calvary, 8; Hamlet, First, 2; Hamlet, Second, 11; Hoffman, 0; Laurel Hill, 1; Laurinburg, First, 4; North Laurinburg Mission, 0; McDonald, 8; Marston, 0; Midway, 4; Mount Olive, 9; New Hope, 2; Oak Ridge, 4; Old Hundred, 0; Pee Dee, 0; Pine Grove, 2; Pleasant Grove, 5; Roberdell, 6; Rockingham, First, 8; Saron, 10; Spring Hill, 1; Skyway, 3—total, 131.

9. Under Miscellaneous Business E. N. Gardner, Lauringurg, added expressions of regret from Moderator Mason that his necessity to serve as lawyer in court that day prevented his being present.

Dr. Gardner commended the fine reports of Mr. Gore and Mrs Luther; asked the pastors present to meet him right after the benedic tion; and suggested a prayer for Wake Forest College.

10. Bill Currie, Rockingham, made a motion involving the clerk who requests the moderator to have someone else insert this motion in the space below.

11. The clerk moved that those already enrolled as messengers and others who should enroll constitute the Pee Dee Association for that session to transact necessary business and carry forward the traditional associational program. Seconded and carried.

12. The Association voted to approve the officers of the Associational Woman's Missionary Union.

13. Upon request A. M. McMillan led in prayer for Wake Forest College.

14. Don Hill, Hamlet, led in singing the following two hymns: "My Jesus, I Love Thee," and "When I Survey the Wondrous Cross."

15. A splendid sermon was brought by W. Cecil Smith, Pastor, East Laurinburg Baptist Church.

16. Following the closing prayer, which also was thanks for the coming meal, those present enjoyed a bountiful meal served by the ladies of the host church.

AFTERNOON SESSION

17. The chairman reconvened the meeting at 1 p.m., and Mr. Hill led in singing "Near the Cross," after which he led the devotional. He read from 1 Cor. 8:4-13 and spoke on "The Influence of the Christian," saying Christians should mind their eyes, ears, lips, hands, feet and heart.

18. In the absence of W. B. Barrington, Hamlet, associational Brotherhood president, the report on this organization was brought in an excellent way by George T. Story, Hamlet. He told of the fine associational Brotherhood meeting held the night before at East Laurinburg, and of the meeting at Pleasant Grove in January at which Horace Easom of Shelby, State Brotherhood secretary, was the principal speaker. Brother Story told of the great importance of the men being prepared to take over the work of Royal Ambassadors in the fall of 1957. He reported that the associational Brotherhood and the associational Executive Committee had voted to approve a campaign in January 1957 to promote Brotherhood work in the association. It was contemplated that Mr. Easom would come Tuesday, Jan. 8, to train workers within the association and that the campaign itself would be conducted Sunday through Tuesday, Jan. 20-22. It was moved that this campaign be approved and that the associational Brotherhood have the authority to proceed and plan. The motion was seconded and carried.

19. A. L. McGee, Cordova, associational superintendent of Evan-

gelism, brought the following fine report on "Forward Together in Evangelism."

The year ending in 1955 was probably one of the greatest in the field of evangelism for the Pee Dee Association. We baptized 475 people into the fellowship of our churches. I believe that this is the largest number of baptisms in the history of the Pee Dee Association. Only one church in our Association reported no baptisms.

According to Brother J. C. Canipe, there are three main purposes for which the Department of Evangelism was set forth.

1. To implement the churches in their soul-winning efforts and to inspire and challenge them to reach the more than one million unsaved, unchurched people in our great state.

2. To help our pastors and churches to keep the fires of evangelism burning and thereby keep the spiritual life of our people at least at par, or above if possible.

3. To advance the Kindom of God in the hearts, lives, affairs, and relationships of men in every area of life.

Evangelism is being promoted by the churches, by individual revivals and study courses; in the Association through the pastors' conferences; simultaneous revivals; and in the State Convention through publicity and State-wide Conferences on evangelism.

Our Department of Evangelism is tied in with every other agency we have—Sunday School, Training Union, W. M. U., Brotherhood, B. S. U. and all the rest. In this we rejoice and go forward. Evangelism is the heart of Southern Baptist life. Without it our churches, association, State Convention and Southern Baptist Convention would perish with dry rot. It is imperative, therefore, that we magnify evangelism everywhere.

Let me encourage every pastor to keep the fires of evangelism burning in his own heart and lead his church into every evanglistic effort possible.

Respectfully submitted,
A. L. McGee

20. The associational missionary, A. M. McMillan, brought a report on "Forward Together in Associational Missions."

21. W. Cecil Smith, member of the Committee on Place and Preacher, brought a report from that committee. Pine Grove Baptist Church, Airport Road, East Rockingham, invited the association for the fall session on Tuesday, October 23, 1956. The motion was duly made, seconded and passed that the report be adopted and the invitation accepted.

22. The Resolutions Committee, through their secretary, Mrs. Doris Darter Faircloth, brought a report, which was duly adopted. The first parts expressed appreciation to the host church, Bethel, for their kind hospitality, as shown in making their building facilities available and the fine dinner; to the officers and those planning the program; and to all who took part in the program.

23. The last part of the report of the Resolutions Committee was reprinted on page 21 of the May 19, 1956, issue of *Biblical Recorder,* Raleigh, N. C., from which the following is clipped and pasted into the record book.

RESOLUTION OF APPRECIATION FOR REV. ARCH McMILLAN

BE IT RESOLVED that we, the members of the Pee Dee Association, give to Arch McMillan our heartiest appreciation for the very able leadership he has

rendered us during his ministry as associational missionary. We shall long remember his sincerity, his humility, his tireless devotion to Kingdom work, and his Christ-like spirit. Our prayers and our love go with him and his family as they leave us for further study and service.

MRS. DARTER FAIRCLOTH,
for Resolutions Committee.

24. Dr. E. N. Gardner requested that the missionary make available to the pastors of the association the gist of his suggestions made in the course of his report (#20, above). (Note: This was done in a two-page letter mailed later to the pastors.)

25. Don Hill led in the singing of the hymn, "My Faith Looks Up to Thee."

26. Remarks were made by C. O. Funderburk, A. L. McGee, Bill Currie and W. A. McKnight relative to the carrying forward of the associational program of work.

27. Don Hill, Hamlet, associational Sunday School superintendent, brought the closing message on "Forward Together in Sunday School," which provided a fitting climax for the day's meeting.

28. The benediction and adjournment came at exactly the published hour, 2:30 p.m.

SUGGESTED REPORT
of
North Carolina Baptist Homes for Aging
Associational Year 1956

The Homes are in their sixth, and greatest, year of operation.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents—20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shops, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding increases each year.

Resthaven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston-Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from $300 to $3,000—$300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing, a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality, and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James M. Hayes, general superintendent, N. C. Baptist Homes Kentucky Avenue, Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71:9).

P.S.—A Home representative was elected last year in nearly all of our Associations. Please see to it that one is elected in your Association this year. Thanks.

J. M. Hayes

DENOMINATIONAL PERIODICALS

Baptist people are trying to minister to all the souls who can be reached for Christ. We are using every possible means to meet all the needs of all the people. In our churches we are meeting spiritual needs through witnessing, through worship, through Bible study, through training, through the activities of the Woman's Missionary Union and through the activities of the Baptist Brotherhood.

As we think of the media of service provided by our denomination, perhaps nothing is more important than the inspiration and the information provided by Christian literature.

The Sunday School Board is to be commended for the splendid Sunday School and Training Union periodicals being prepared for all ages. Those who are responsible for the operation of our southwide promotion and publication agency are sparing no effort to give us the best possible material. *Home Life* Magazine, which should be in every Baptist home, is an answer to a critical need, and is proving to be a blessing to countless thousands of people.

Other items of interest and help are the publications of the southwide Woman's Missionary Union—*Royal Service*, *The Window of Y. W. A.*, *Tell*, *Sunbeam Activities*, and *Ambassador Life*—and the *Brotherhood Journal*.

Every Baptist should keep himself informed about the needs of the world and the way in which we as a denomination are attempting to meet the needs by reading *Home Missions* and *The Commission*.

North Carolina Baptist enjoy reading two weekly journals: *Charity and Children*, the orphanage newspaper, which goes to approximately 40,000 readers, and the *Biblical Recorder*, the official organ of the Baptist State Convention.

When the Baptist State Convention of North Carolina was organized in 1830, the stated purpose was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly afterward, in 1833, the *Biblical Recorder* was founded to help carry out the high aim and purpose of our Baptist forefathers. For 123 years, the *Recorder* has borne the message of Baptist Life and progress in our State. It ought to be in every Baptist home in North Carolina.

The *Recorder* is mailed direct to each subscriber, but there are three subscription plans: single subscription, $2.50 a year; the Church Club plan, with four or more subscriptions, having the same expiration date, $2.00 a year; and the Every-Family plan, with one subscription to each resident family of the church, with the same expiration date, $1.50 a year. The *Biblical Recorder* now goes into more than 62,000 homes each week, but it should go into *every Baptist home*.

Let us take advantage of the Christian literature which is available. "Study to show thyself approved unto God."

REPORT OF THE ASSOCIATIONAL WOMAN'S MISSIONARY UNION

First allow me to express to you my appreciation for your prayers and patience with me since I have tried to serve as your Associational W. M. U. Superintendent. I wish to thank the W. M. U. Executive Committee, W. M. S. Presidents and members for their assistance and cooperation during the past year. Coming as I have with such little experience, I do not feel that I have accomplished what our beloved Mrs. Rhyne could have done. For me these months have been filled with many rewarding experiences. I shall ever be grateful for the opportunities for Christian growth and service that have been mine.

MEETINGS: During these months there have been many opportunities for service. Giving the Associational W. M. U. report at our Spring meeting at Bethel was my first responsibility. During the month of May I helped Mrs. Wade McKnight with the G.A. and R.A. Rally. This was held at the First Church, Hamlet. We had a very successful Rally. I wish to thank Mrs. McKnight for her untiring efforts in the promotion of this meeting. In June I attended the State W. M. U. Executive Council meeting in Raleigh. In August the Associational W. M. U. Executive Committee met at my home to make plans for the Leadership Conference. Many of our members attended the State Campus and the Conference at Ridgecrest this summer. We also had good response to the State Overnight Leadership Conferences.

Mrs. Donald Jordan, Associational Young Poples' Leader held a Sunbeam Rally at Hamlet, Second and had a good response. The First Church, Rockingham was hostess to the Leadership conference. Mrs. C. A. Gillis conducted a successful Mission Study Institute. It has been a joy to visit in several churches for their General W. M. S. meeting and to teach three study courses on Japan. In addition to these meetings I have attended the Associational Executive Committee meetings.

POINTS FOR EMPHASIS:

We pay special tribute to two W. M. S. organizations for being A-1. These were Calvary and Cartledge Creek.

The gifts to Missions through the special offerings have been generous. The Seasons of Prayer have been well observed.

Almost every W. M. S. had 100% giving through the Cooperative Program.

REPORTS:

We regret that we have not had 100% reporting every quarter.

All quarterly reports of the Superintendent and Young People's Leader have been sent to the regional and state offices.

We are grateful to the Heavenly Father whose presence we have felt so keenly during the days of this year. Although I do not feel inclined to accept the work again another year, we ask His continued blessings on those who undertake to carry on the task under His powerful guidance.

Respectfully submitted,
Mrs. G. C. Luther
Associational W. M. U. Supt.

MORNING SESSION

The sixth-second annual meeting of the Woman's Missionary Union of the Pee Dee Association convened with the Laurinburg, First Baptist Church on March 22, 1956 at 10 A.M.

WITNESSING THROUGH THE SUNDAY SCHOOL

During the 40 days from Jesus resurrection to His ascension, He put forth a special effort to get His followers to understand their mission in the world. He wanted them to understand that they were to be witnesses of Him in Jerusalem, Judea, Samaria and the uttermost parts of the world. They were not to witness just on special

occasions such as revival meetings but were to be continuous and aggressive in this all important task.

On the day of His ascension from Olivet I see three things, A Lost World—A Powerful Christ—A Spirit Filled Church. The lost world must be brought to this Christ who can and will save it. The Church must do the job—but how?

The church of today is a highly mechanized army organized to wage war on the forces of hell. The Sunday School, the WMU, and the Training Union, all have a part in this gigantic task of making disciples and training them into effective witnesses for Christ. *I will confine myself with the Sunday School for a moment.*

1. TO BE AN EFFECTIVE WITNESS FOR CHRIST ONE MUST KNOW THE BIBLE. THE SUNDAY SCHOOL TEACHES THE BIBLE — no other textbooks. Just think — Next Sunday Morning—30 churches 5,000 pupils all studying the Word of God. Why? So we can tell others.

2. FOR ONE TO BE AN EFFECTIVE WITNESS FOR CHRIST ONE MUST MAKE CONTACT WITH THE LOST. THE SUNDAY SCHOOL (if alive) HAS A PROGRAM OF VISITATION.

Just visualize again—5000 persons going into the homes in these two counties—telling people about our Saviour and inviting them to come hear the preaching of the Gospel.

3. TO WITNESS AND MAKE DISCIPLES OF ALL NATIONS ON THE SURFACE SEEMS IMPOSSIBLE. HOW CAN I DO IT? IN WHAT WAY DOES THE SUNDAY SCHOOL HELP IN THIS MATTER.

TO SEND MISSIONARIES—MONEY IS NEEDED

THE SUNDAY SCHOOL PROMOTES GIVING, thereby doing its part in witnessing to all nations. (Out of it comes missionaries)

4. TO GET THIS PROGRAM OF WITNESSING TO A LOST WORLD ACROSS IT IS VITAL THAT WE HAVE A CONSECRATED AND DEDICATED GROUP OF OFFICERS AND TEACHERS IN OUR SUNDAY SCHOOLS.

1. Teachers *must not forget What To Teach and Why They Teach.*
2. *Teachers daily walk* will mean more than what they say in class.

WITNESSING THROUGH CONTINUAL EVANGELISM

Our churches today are promoting Evangelism. They are striving to advance the Kingdom of God in the hearts, lives, affairs, and relationships of men in every area of life.

In our 31 churches only two reported no baptisms in 1956. In 1955 our hearts were thrilled when we broke all records by Baptising 475. But, now I am proud to report that in 1956 we Baptized 556 in our churches.

The Department of Evangelism has become a vital channel of

service in our Convention, State and Associations and individual churches.

It is linked with each of our other Agencies. It is the very heart of Southern Baptist life and growth. Therefore, may we continue to magnify evangelism everywhere.

If we are to be His witnesses we must continue to be evangelistic. We must keep the fires of Evangelism burning, glowing in our hearts that we may win others to Him.

WITNESSING THROUGH WOMAN'S MISSIONARY UNION

Under the able leadership of Mrs. G. C. Luther, our Woman's Missionary Union has truly witnessed for Christ during the past year. While we have accomplished much, a greater work lies ahead for us in the coming year.

We have 27 churches with W. M. U. work and we are so thankful for all that each Society has accomplished. Two of our organizations are A-1. These are Calvary Baptist Church and Cartledge Creek Baptist Church and we feel that these should certainly be recognized.

Our gifts to Missions through special offerings have been generous and the Seasons of Prayer have been well observed. We are so grateful to Mrs. C. A. Gillis of Rockingham who conducted a highly successful Mission Study Institute at Pee Dee Baptist Church last fall. We feel that many of our churches benefited greatly from this Institute.

We have Youth Organizations in 17 of our churches, so you see there is room for expansion in this phase of our work. We *must* reach our young people and inspire them with a vision of our mission fields for, after all, they are our missionaries of tomorrow.

During the past year Mrs. W. A. McKnight directed a G. A. and R. A. Rally at First Church, Hamlet, which was very successful. Also, something which was quite new to us was our Sunbeam Rally and this was held by Mrs. Donald Jordan at Hamlet Second Church. The children thoroughly enjoyed themselves.

As you know, this year our Young Woman's Auxiliaries are celebrating their 50th birthday. In honor of this birthday our Y. W. A.'s met in Laurinburg for a banquet, which proved to be very inspirational as well as entertaining. On April 4 our Annual Spring meeting was held at Cordova Baptist Church. Many of our women came and we were privileged to hear Miss Beverly Neilson, Field Representative of our State W. M. U., and Mrs. Robert Standley of Brazil as guest speakers.

When we accept the gift of eternal life from our Heavenly Father we must also accept the responsibility of witnessing for Him to the lost peoples of the world. This means our foreign friends and neighbors, but we must not forget the people who live next door to us, the people in our town, state and country. Will you pray for us

as we strive to do the will of the Heavenly Father that we might witness in a mighty way for Him.

Mrs. J. T. Yates, Asso. Supt.

WITNESSING THROUGH THE BROTHERHOOD

It is beyond my power of thinking to say just how we can best witness for our Lord. However, from personal experience I find that the Brotherhood can witness in many ways that will enable them to be *one* of the *best ways:*

1. Christian Fellowship: The Brotherhood can reach men and bring them into Christian fellowship. They can reach men that otherwise would be overlooked. In our community and throughout the world today, we have lost men that have never been invited into Christian fellowship. Consequently, the Brotherhood can do much towards bringing these men into the fellowship that they would enjoy if we would but invite them. Many of these men can be brought into Christian fellowship that will lead them into the kingdom of God and will make of them some of the best witnesses.

2. The Brotherhood is in better position to work with the head of the family than any other church organization. He can best be approched by the Brotherhood. Brotherhood meetings or prayer services can be held in the home of lost persons. Inactive church members can be reached through these mediums.

3. Most of our churches have just completed the study courses on ALCOHOL. These courses have already proven what can be done through the proper teaching and education along these lines. We have already seen the results of these courses and we will continue to see them just as long as we continue to teach the sad results of the use of alcohol. I know of no better way to continue this teaching than through our Brotherhoods. Local statistics can be secured from our peace officers showing results of the use of alcohol. Truly this is one of the greatest problems facing us today. Being a redeemed alcohol myself, I cannot but feel that the average alcoholic is being overlooked in our world today. I would recommend to our Brotherhoods that they continue to keep this menace in the minds of our men. Statistics are always available that will assist us in keeping the sad results before the public. As Associational Brotherhood president, I plan to keep this subject before the Brotherhoods throughout the Pee Dee Association. This can be our best witnessing.

Respectfully submitted,
Brooks Barrington

Report of the Associational Training Union

Mr. L. H. Williamson, Associational director, pointed out that the Associational officers had exemplified great enthusiasm and were doing very fine work. There have been two new training unions

organized. There were 334 present for the "M" Night meeting on December 3, 1956. Rev. John Lawrence, pastor of the First Baptist Church, Shelby, was the inspirational speaker. The Youth Night meeting was attended by 130 people; sixteen churches were represented. Nine ministers were present. The Associational director has visited eight churches.

North Carolina Baptist Hospital 1957 Report

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investments involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his

full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

Report on Biblical Recorder and Other Baptist Literature

Good reading brings knowledge, and knowledge brings understanding. And out of understanding comes the power to live wisely. Baptists work together in a great spiritual democracy, but no democracy can live unless its people keep informed and inspired by the right kind of reading. "Give attention to reading," urged Paul to the early Christians. "Blessed is he that readeth," declared the Apostle John in his last message.

The printed page is more powerful than bombs and bullets to conquer the minds and hearts of men. Never before has so much reading matter been before the eyes of the people, as today. Baptists, like others, are often tempted to stop, look, buy and read —from the stream of poison that flows from the many publishers bent on selling more and more of their unclean books, magazines, and periodicals, to enrich themselves as they care little for the evil effects of their wares.

An immense volume of excellent Christian literature come from Baptist presses. It is said that no denomination in America has so fine a selection of Christian literature as Southern Baptists have today, for every age, spiritual interest and need. The aim of it all is to inform, enlist, unify, teach and inspire the people for greater service in the work of the Lord.

In the year 1830, North Carolina Baptists organized themselves into the Baptist State Convention. The Constitution stated that the main purpose was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly afterward, 1833, the BIBLICAL RECORDER was founded to help carry out these aims. For over 123 years, it has served North Carolina Baptists. No Baptist home or mail-box is beyond the reach of the RECORDER each week, since it is always sent by mail directly to each subscriber. The Baptist paper ought to go into every Baptist home. The present circulation of the RECORDER is approximately 61,500 each week.

Pastors, RECORDER representatives, and others, have been faithful in securing renewals and new subscribers in the churches; we appreciate their fine service. To our State workers, General Secretary Huggins, our Associational missionaries, and others,

we express our thanks for their continued interest and support in promotion of wider circulation.

The RECORDER has three subscription plans: Single subscription is $2.50 a year. Club Plan, with 4 or more subscriptions, $2.00 a year. The Every Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year.

We sincerely urge all pastors, Associational workers, Sunday School superintendents, teachers and officers, State workers, W.M.U., Training Union and Brotherhood members and others, to promote in every possible way the Every Family Plan or at least a good-sized RECORDER Club in every church. No Baptist can keep well informed about the work of his church and denomination unless he reads his State Baptist paper.

The RECORDER and its staff members seek to be of utmost possible service to North Carolina Baptists. Please remember us in your prayers. We want to be faithful to our task; we want the RECORDER to be a true and faithful weekly witness in every Baptist home and community. We must all work together in the will of God as we strive to promote every cause dear to the hearts of Baptist people.

Respectfully submitted,

Report on the Baptist Children's Homes of N. C.
Unmet Needs

The year 1956 was another busy one at the Baptist Children's Homes. We were able to admit to our care only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted to some phase of our program. Certainly all the other 644 were in need or their applications would not have been signed by Baptist Pastors.

Careful research by our Social Service Department, in cooperation with the Pastors who had signed the applications, made it possible to place many of these 644 children with relatives or other Agencies where their needs are being met. Many others could not be placed and are still waiting for someone to come to their rescue.

The question often arises, "How many dependent children should North Carolina Baptists provide for?" Last year we served a total of 751, an increase of 15 over the year before. Of these, 126 were supported in Foster Boarding Homes. Perhaps a conservative estimate is that Baptists of North Carolina should serve about 1,000 children annually. It is therefore, planned to gradually expand the Foster Home Program until we as a Denomination are caring for our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home, which cares for fifteen to twenty children, is located in Robeson County in the Burnt Swamp Baptist Association. The Board of Trustees of the Baptist Children's Homes at their regular annual meeting in May, 1957, voted unanimously to recommend to the Baptist State Convention, at its annual meeting in November, that the Pembroke Orphanage be made a part of the North Carolina Baptist Child Care Program. If the Convention approves this action, it will necessitate the erection of one Cottage at Pembroke at a cost of about $50,000.00, and an additional operating budget of about $20,000.00 per year.

How Can Baptists Finance These Additional Needs?

We believe we can get the money for the cottage through special gifts and bequests. Our Baptist Churches have two plans for supporting the Children's Homes.

Plan Number 1 is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

Plan Number II is the Thanksgiving Offering. Every dollar of this comes to the Children's Homes and may be increased by the Churches to meet the increasing needs as far as our people wish to go.

If every Church will increase its Thanksgiving Offering ten per cent this will give us the $20,000.00 to support the Children at Pembroke.

Report of N. C. Baptist Homes for Aging

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gifts of ten (.10) cents per Baptist-850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road.

Actually, it was not necessary to borrow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents have been remarkably good, considering their ages 65 to 97 years.

Report on "Baptist Colleges — Christian Education"

The some 825,000 Baptists in North Carolina continue to demonstrate their belief in the importance of supporting Baptist Colleges as training centers for preparing Baptist leadership. This interest is shown in the enrollment of 6,500 students, most of whom come from our Baptist homes, with approximately 8,000 being trained for the ministry and other full-time Christian service.

For aiding these young people in their college training the Baptists of North Carolina are contributing an average of $1.25 per person for both operating and capital outlay purposes in these colleges, for a total of $1,100,00 annually. It is our hope that in the near future it will be possible to increase this financial assistance to provide an average of $2.00 per member in our Baptist churches; certainly this is not too much to expect our people to invest in the training of our future leaders in the greatest denomination in the state.

Baptists of North Carolina should know that they are doing more to provide for the training of their young people than any of the other

denominations, and yet we cannot escape the fact that of the 21,000 Baptist young people enrolled in colleges in North Carolina, only about one out of every five is able to attend one of the Baptist colleges. Fifteen thousand Baptist Youth graduate from North Carolina high schools each year, and of these only 5,000 enroll in North Carolina colleges. But only 1,000 of the 5,000 enroll in a Baptist college in North Carolina. This shows that we who serve on the local church level are not doing our best in directing fine, capable, and potentially great young people into our Christian colleges. However, we dare not encourage more of our young people to attend our seven colleges unless in our Christian stewardship we are ready to stand by them as we have never done before.

The seven North Carolina Baptist colleges, in which we all have justifiable pride, are: Campbell College of Buies Creek, N. C., Dr. Leslie H. Campbell, President; Chowan College of Murfreesboro, N. C., Dr. Bruce E. Whitaker, President; Gardner-Webb College of Boiling Springs, N. C., Dr. Phillip L. Elliott, President; Mars Hill College of Mars Hill, N. C., Dr. Hoyt Blackwell, President; Meredith College of Raleigh, N. C., Dr. Carlyle Campbell, President; Wingate College of Wingate, N. C., Dr. Bud E. Smith, President; and Wake Forest College of Winston-Salem, N. C., Dr. Harold Tribble, President. These seven colleges have an annual operating budget of $6,000,000, and a plant valuation of $35,000,000. They are well scattered throughout our state, many of them being in the state's greatest population centers. Among the emphases of these institutions are Christian scholarship, Christian character, community service, Christian leadership, and many others.

Christian Education, in its truest sense, supports the idea that God not only calls individuals to become ministers and missionaries, but that He calls all Christians to serve in every noble vocation. To this high ideal our Baptist Colleges in North Carolina are dedicated. In addition to the training of ministers and other fulltime church workers, these colleges are our chief source for Baptist doctors, lawyers, teachers, and business leaders.

In 1957, for the first time, these colleges, through the Council on Christian Education, promoted Father's Day as Christian Education Day in all the Baptist churches of the state. Although the total contributions were not as much as hoped for, the response throughout the state was most encouraging, and already plans are being made for Father's Day, Sunday, June 15, 1958, and all our pastors and other friends of Christian Education are urged to include this in their calendar of activities for the new year.

The needs and opportunities in the field of Christian Education are increasingly recognized as we face the inescapable responsibility of providing trained leadership in every area of life for today's complex and troubled world. If America is to maintain her place of leadership in world affairs, and indeed survive as a nation of free people, our communities, state and nation require and must

have men and woman with vigorous Christian ideals and strong convictions to lead in every walk of life.

American Bible Society

"The Bible Speaks Today" is not just a slogan. It is the experience of millions of people around the world. It is a challenge to action. The Bible must speak to more people in this Southern Baptist World Missions Year — and in all the years ahead.

If *the people of the world* are to know Jesus Christ, the one hope of men and nations, they *must have the Bible.*

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave—and keep on speaking to a man's heart.

The American Bible Society helps missionaries to *translate* the Bible. It *publishes* without note or comment and *distributes* without profit, usually below cost. For the Blind it supplies Scriptures in raised-letter systems and on Talking Book records.

During 1956 the American Bible Society—

—distributed through the world more than 15 million volumes of Scriptures.

—supplied over 13,000 Bibles and other Scriptures to Hungarian refugees coming to the U. S. A. and joined in supplying many more to refugees in Austria and other countries.

—donated nearly one million Scripture volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—rejoiced in translation of the Bible into more than 1,100 languages. The entire Bible has been translated and published in 210 languages. A complete Testament in 270 more; and at least a Gospel or other complete book in 629 additional languages.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people — Southern Baptist churches give to the American Bible Society.

Remembering Hebrews 10:24, "Let us consider one another to provoke unto love and to good works"—consider these facts and figures:

In 1956, Southern Baptist churches, with 8½ million members, gave $120,732 to the American Bible Society. Methodists, with 9¼ million members gave $174,447. They not only led in the total amount of their gifts; they even gave more per member! In the

words of James 3:10, "Brethren, these things ought not so to be."

Southern Baptists can lead in support of the American Bible Society *if* every church will give. Here are suggestions, based on what many churches are doing:

Every church can give *at least* these amounts *each year:*

Country and village churches		$ 10 to $ 25
Churches in small cities		$ 25 to $100
Larger churches		$100 to $200
Great city churches	or more	$200 to $500

Please send gifts to your Baptist state office marked "for the American Bible Society."

TO KNOW THE TRUTH THROUGH MUSIC

"The Bible is a sufficient guide for faith and practice." For generations, Baptists have repeated these words again and again, and yet it may be that some fail to grasp the true significance of their meaning. However, this statement is recognized as one of the great distinctive Baptist doctrines.

Our Baptist churches are alike, not because some ecclesiastical potentate tells us what we are to believe and how we are to worship, but because each seeking individual, with the Bible as a textbook and the Holy Spirit as teacher, has come to the same conclusion. We believe and we practice alike because of an inner conviction, not an external compulsion.

As Baptists we have grown spiritually and numerically because we have sought to follow the scriptural admonitions concerning the varied types of ministry which characterize our Christian witnessing.

Baptists believe in evangelism, education and worship. We appreciate those things which contribute to each. One ministry, important to all phases of work of our churches, is music.

It is interesting to see that in the history of religions, only two have developed the art of music to any degree of proficiency. In all other religions, we find the dirge and chant being used. For the most part, they result in a harsh or discordant sound. Only Judaism and Christianity have developed music as an integral part of worship. Since the advent of our blessed Lord, Christianity has far surpassed ancient Judaism in composition of praise and adoration. It can truly be said that wherever the name Christ has been received, He has placed a song in the hearts of the people. Indeed, the reasonable deduction is that Christians are the only people who have something vital to sing about in a world shrouded in doubt and discord.

When deliverance from the Red Sea and destruction of the armies of Pharaoh had been accomplished, Moses and the people of Israel sang the song recorded in Exodus 15:1-19.

There is no more graphic or inspiring poetic story to be found anywhere than this early religious song.

At another great event in Jewish historical narrative, we find that with instrumental music and great singing that David brought the ark of the covenant up to the tabernacle which had

been prepared for it. Details concerning the preparations for the transfer of this sacred symbol show that David and his people gave music a place of great prominence.

Turning to still another event in the life of Israel, we see that at the dedication of the Temple built by Solomon there was much music. This account is recorded in II Chronicles 5th chapter.

As one studies the Bible, he begins to wonder whether it is mere accident that the largest book in the Bible is a hymnbook, the book of Psalms, and that it is in the center of the Book of books.

As we turn to the New Testament, we are again reminded of the tremendous importance of music in religion.

The host of Heaven broke forth in the Judean sky with their "Glory to God in the highest, and on earth peace, good will toward men," Luke 2:14. "And the shepherds returned, glorifying and praising God for all the things that they had heard and seen," Luke 2:20. The heart of old Simeon soared as he rapturously praised God, holding the child Jesus in his arms. And, since that time, the hearts of men have been made to sing as never before.

During his earthly ministry, Jesus was often seen in the Temple, participating in the great worship services there. At no time did he utter any word of condemnation of the beautiful choirs and the songs they sang. On the night before his death, he completed the Last Supper with the traditional Jewish Hallel.

Paul, in his letter to the Ephesians and the Colossians, admonished them to teach one another in song. While in prison, he and Silas started a real revival in the jail at midnight, with only singing and praying.

On the Isle of Patmos, the last of the Twelve, John the beloved apostle, heard and then wrote of music such as never was heard by mankind before or since. The music had such beauty that it was "as the voice of many waters." It had such power that it was "as the voice of great thunder." And he heard "the voice of harpers harping with their harps," Revelation 14:2.

From the beginning to end, in the Old and the New Testaments, running like a scarlet thread, we have significant references to songs-songs which only our God places in a human heart. Surely, we have followed the plea of the psalmist in Psalm 96:1-2:

Oh sing unto the Lord a new song:
Sing unto the Lord, all the earth.
Sing unto the Lord, bless his name;
Show forth his salvation from day to day.

Thus, "Teaching the Truth Through Music."

Respectfully submitted,
Donald E. Neal.

REPORT OF WOMAN'S MISSIONARY UNION OF PEE DEE ASSOCIATION

We are truly grateful for the opportunity to represent Woman's Missionary Union in the Pee Dee Association here today.

Our WMU of the Pee Dee Association is growing slowly but surely. We have two new societies since last April — one at North Laurinburg Baptist Church and one at Norman Baptist Church. We also have several new youth organizations. However, there are still three churches in our association who have no WMU organization at all.

Our women are working hard. Last October the Charlotte Region held their annual meeting at First Church, Rockingham and a six hour Leadership Conference followed this meeting. Our state officers and leaders taught in this conference and many of our women availed themselves of this opportunity.

In January Miss Beverly Neilson, State Sunbeam Chairman, led an eight hour Sunbeam workshop at First Church, Hamlet. The G. A. Director, Mrs. W. A. McKnight, arranged a similar workshop for G. A. Counselors in February at Rockingham First Church. We want to learn all that we can so that we may teach our young people as God would have us teach them. All these various conferences stress the four fundamental phases of our work—Mission Study, Community Missions, Prayer, and Stewardship. We feel that if we are true disciples of Christ we will want to share these truths with the world. Thus, we will be obeying that great commandment of our Lord, "Go ye therefore into all the world". Where is the world? The world is all around us. We of the WMU believe in beginning our missionary education at home. Some of our Sunbeams would put some of our adults to shame when it comes to this matter of missions. Our G.A.'s are working hard and learning much about missions, also. I do not want to repeat myself year after year but I must say again that our Young Women's Auxiliary is still one of the weakest parts of our work. These girls desperately need our prayers and all the help we can give them. They are our future missionary potential and we must not lose them.

We consider our Annual Meeting at Pine Grove Church on April 8 a great success. Miss Miriam Robinson, Executive Secretary of North Carolina WMU, spoke to us about our local work. Our missionary speaker, Mrs. W. W. Lawton, Jr. of the Philippines, brought an inspiring

message. She presented not only the needs of the Philippine people but of the whole world. We need more of our missionaries to jolt us out of our lethargy — to make the people of the world real to us so that instead of talking we will do everything in our power to give them the story of Christ. May we all strive to enlarge the Kingdom of God so that it will reach to the ends of the earth.

Respectfully submitted,
Mrs. J. T. Yates
Superintendent

"TO KNOW THE TRUTH THROUGH A CONTINUOUS PROGRAM OF EVANGELISM"

It seems that Jesus left no doubts in the minds of His disciples that they were to be His witnesses. On the evening of the Resurrection Day, Jesus said to them. "Peace be unto you: as my Father hath sent me, even so send I you." (John 20:21). A few weeks after, our Lord commanded: "Go ye therefore, and teach all nations, baptizing them. . . . teaching them . . ." (Matt. 28:19-20). Just before our Master returned to heaven, He declared: "Ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me, both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth" (Acts 1:8)

On the day of Pentecost, the Holy Spirit came in power upon the disciples, and they went out to witness for their Lord and Saviour. In spite of persecution, torture, death, they witnessed to Jesus, His life, His death, His resurrection, His ascension, His power to save believing sinners and to present them "faultless before the presence of his glory with exceeding joy." As a result of this continuous evangelistic crusade, a mere handful of witnesses multiplied within the span of a normal lifetime to hundreds of thousands of Christians.

Perhaps the greatest reason that great areas of the world are still unevangelized is that Christians lost their evangelistic zeal for lost souls, and neglected the Great Commission of their Lord to witness for Him. Whatever the reason, we are informed that two-thirds of the people on this planet have never heard of God's Son coming to save sinners. The responsibility to share God's wonderful gift of life is heavy upon every blood-bought redeemed sinner; it is indeed the greatest responsibility in life —the winning of souls to Christ.

Dr. C. E. Matthew's great book, **Every Christian's Job,** he asks the question, "How can we know that we are responsible?" He proceeds to give evidence of our responsibility for the salvation of lost souls by stating: 1. We know (i.e., that we are responsible)

from what the Old Testament says in Proverbs 11:30; Daniel 12:3; Ezekiel 33:7, 8. 2. We know because Christ said so in Matt. 5:13; Mark 11.14, 20, 21; Matt 7:19, 20. 3. We know from the example of Jesus, John 1:43. 4. We know from the example of New Testament Christians, John 1:40-42, 45, 46; Philemon 11. 5. We know because of the cry that comes from the doomed in eternity, Luke 16:19-31. 6. We know because God offers great and eternal reward to the soul-winner, Daniel 12:3; Matt. 28:19, 20; James 5:19, 20. We are bound to try to win the lost.

How may Baptist Christians accept their responsibility and glorify God? Jesus declared: "Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples." (John 15:8). "A fig tree's fruit is figs; a Christian's fruit is more Christians," someone has said. Dr. C. E. Matthews, serving from 1947 to 1955 as secretary of evangelism for the Home Mission Board, suggest several things which will help Christians become soul-winners in the book, **Every Christian's Job.**

1. The pastor must have an evangelistic heart and try to win lost souls. He must be an example to his flock in evangelism, in preaching, and by leading in planning for soul-winning through an over-all planning group .

2. The name of this over-all planning group should be the church council on evangelism. The personnel of this council should be the pastor as chairman, the Sunday School superintendent, the Training Union director, the Woman's Missionary president, the president of the Brotherhood, and the chairman of the deacons. Not all churches have all of these agencies. If not, the council personnel would be limited to the heads of the agencies that do exist.

3. The church council on evangelism should meet about the middle of October, and lay out plans for the coming calendar year. These plans should be passed upon by the church in time for such plans to be put in the church calendar of activities for the year. The plans should include three things; two revivals a year; perennial visitation; and a program of training in soul-winning. Such a church program is within reach of every church, without regard to size or location. Any church which will adopt this program will have active, consistent soul-winners in its membership.

Every year there are thousands of Missionary Baptist churches not reporting one baptism. In 1954, 4,694 churches in the Southern Baptist Convention reported no baptisms. For a Baptist church to go twelve months without a convert should be sufficient cause for the members of that congregation to put on sackcloth and ashes. Plans and programs are as essential in winning souls to Christ as they are in raising money. When we do not plan to do things, usually they are not done. We must do something to make soul-winners of our church members. (Introduction of **The**

Southern Baptist Program of Evangelism, xi-xii).

Evangelism was first in the program of Christ. Evangelism is the spearhead of attack against the forces of evil in this world. It is the vanguard in the conquest of God's great army against the gates of hell as we try to rescue the deluded victims of Satan and lead them from darkness to light. Evangelism kindles and rekindles the flames of compassion in teachers, and church officers in our local churches. Without it, we drift into cold, clammy formalism and ritualism that breathe the breath of stagnation and death into church life. (Introduction of **The Southern Baptist Program of Evangelism,** xiii).

TO KNOW THE TRUTH THROUGH BROTHERHOOD FELLOWSHIP

Our overall theme for this year is "An Active Brotherhood in Every Church." We are grateful for the three brotherhoods that have been organized in this association during this year. We now have a total of twenty one (21) brotherhoods with only eleven (11) churches without a brotherhood. Our efforts will be continued throughout this year.

Our theme for this quarter is "Mission Minded Men," and in order that we might know and share the truth it is necessary for us to realize the true definition of missions is sharing the gospel with others. This sharing must be at home and beyond the seas. The good news (the gospel) is a trust committed to us. God gave it to us that we might share it with others, and the more we share it with others the more meaningful it becomes to us.

With the man power we now have available through our church brotherhoods we should be more determined than ever before to share the gospel with a lost world. We will know our Saviour better as we share with others. As we continue our brotherhood fellowship we should always be mindful of the manpower that is available in our churches. We should put forth our every effort to bring these men into christian fellowship through their membership in the church brotherhood. We must realize that this can only be done through our efforts.

We are grateful for the brotherhood work that is being done throughout the Pee Dee association and we offer words of encouragement to all concerned with the hopes that their efforts shall continue in this great endeavor.

Brooks Barrington

ANNUAL REPORT ON ASSOCIATIONAL MISSIONS IN PEE DEE

During the year from April, 1957, through March, 1958, it has been the privilege of your Associational Missionary to serve in some capacity in most of our churches. Associational officers of Woman's Missionary Union, Sunday School, Brotherhood, Training Union, and Life Service Club have done commendable work, and new interest in these organizations is seen. There is yet much to be done throughout the Pee Dee Association if our people are to realize anything approximating their potential as servants of God.

A number of community surveys should be made, prospects located and enlisted; churches could have more definite training in church doctrines, evangelism, teaching, administration, and in the study of the Bible; in some instances, Vacation Bible Schools could be conducted for ten full days that our children might be blessed in a greater way; locations may be found where new teaching and preaching stations may be started that people now lost may be saved. Many things remain to be done in our work of associational missions. Let us labor that Jesus may be pleased.

During the year passed, the associational missionary was privileged to preach 51 times, teach 21 Sunday School classes; teach 35 study course classes, speak to 8 brotherhoods, 6 Training Unions, show 12 filmstrips, help in ordaining 2 ministers, help in ordaining 9 deacons; had 694 individual conferences, 49 group and 12 committee conferences; mailed out 3990 "Good News" bulletins, and 2418 cards, letters, and calendars; drove 9,930 miles, attended 226 meetings not mentioned above, including a number of State Baptist conferences.

If the missionary has been helpful in any way, he is thankful and grateful. Please feel free to call upon him at any time you think he may be of service.

NORTH CAROLINA BAPTIST HOSPITAL 1958 REPORT

Our Baptist Hospital provides a well-rounded program of medical care and training under Christian guidance and influence.

It serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. The Hospital works in full cooperation with our local physicians. It offers a wide range of specialized training in the different fields of medicine and surgery, in nursing, in various other fields of medical care, and in pastoral care.

Last year the Hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies

and the Duke Endowment for patients who can qualify, but it must depend primarily upon the Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured.

Two factors are forcing the Hospital to seek a largely increased Mother's Day support if it is to be able to continue such a service to our sick: First hospital costs everywhere have increased more than 30% in the last five years; Second, as the number of North Carolina Baptists increases, the demand for this service increases.

Fortunately there has been an increase in the amount of Mother's Day offerings, also. These contributions have grown by 20% in the last five years. Yet, it is clear that only through greatly increased support by our churches can the Hospital hope to continue to give the large volume of free service it has been giving to our people.

We believe Baptists of North Carolina will provide the necessary funds if they realize the need, for we have found that when churches acquaint their people with the need, the response is excellent. When the hospital movie and the slide film have been shown and an active effort has been made to present the Mother's Day program, offerings have been generous. Our need, therefore, is simply for our churches to inform their people of the need more effectively. We shall be happy to assist you in your efforts.

Annual Report of The Baptist Children's Homes Of North Carolina, Inc.

Administrative changes and expansion of services are noted. June 30, 1958 marked the culmination of 15 years of progressive leadership by W. C. Reed with Baptist Children's Homes of N. C. After serving as Superintendent of Kennedy Home for seven years, Mr. Reed moved to Thomasville where he served as General Superintendent for eight years. Under his supervision the Children's Homes experienced one of, their greatest periods of building growth, and expansion of services. At present N. C. Baptists probably provide more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation. Dr. W. R. Wagoner, of North Wilkesboro, was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1, 1958.

The year 1957-58 has been a fruitful one in expanding services. Since Oct. 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to these, our

social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by our case workers. During the past year we were able to admit about one-fourth of the applicants as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, many homes were re-established while others were saved from breaking.

Last year's report pointed up the need for expanding our Foster Homes and for the care of the Indian Children at Pembroke. The Baptist State Convention at its annual meeting last November voted unanimously to accept the recommendation of the Board of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work, with 16 children, has been under the care and support of your Homes since January 1953. Money has been set aside to build a new cottage at Pembroke for the Indian children. We are now working to get a clear title to the land. When that is done, we will move rapidly to erect the building.

North Carolina Baptists have two sources for supporting the Children's Homes: Source number 1 is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes received a fixed amount. This cannot be increased or decreased except by vote of the Convention. Source number 2 is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year we asked for an increase of 10% in the Thanksgiving Offering. The churches responded with a 15% increase. This increase of $31,000 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that N. C. Baptists will continue to remember deserving children at Thanksgiving with a generous offering.

During the coming year a cottage will be erected at Mills Home for boys and a cottage at Kennedy Home for girls. These new buildings are being made possible by special gifts and bequests.

Serious consideration must be given in the near future to more adequate care for the children whose emotional stability has been seriously damaged. N. C. Baptists have the potential resources with which to meet this growing need.

A bundle of "Charity and Children" should go into every Baptist Church in the state. If your church is not receiving this attractive and informative paper each week, please write Editor Marse Grant at Thomasville immediately and begin a club in your church. All pastors and Sunday School superintendents will receive complimentary copies if they will send their names to the editor.

Most important of all, remember to pray for the children be-

ing served by your Children's Homes. Some carry heavy burdens which can be lightened with your prayers and material support. The administration and staff members also appreciate every expression of your love and concern for this Christ-ordained ministry.

Public Morals And Temperance Report

Down through the centuries the people of God have had to rise up against the forces of evil. It is still true in our day. Sin is ever the destructive force that it has always been. There can be no compromise with it. God requires complete dedication to Him. The crisis or our day calls for complete committal to Christ. The moral and spiritual condition of our day, the increase of crime, especially among our youth, the deterioration of the home, the laxity of God's people in relation to their spiritual responsibilities to society are matters of grave concern.

To improve our position before God and the world there are some positive steps to be taken: 1. The position of true repentance before God; 2. The separation of our selves from the world unto God in complete dedication to the Christian way of life; 3. An active participation of God's people in Biblical and constructive Evangelism; 4. An active Christian fight against all evil in our midst. We must be the leaven of God in our society. It is true that moral and spiritual recovery begins by drawing near to God.

Again Satan has reared his ugly head in our midst in the form of beverage alcohol. We face a great battle in the days ahead. God and His Holy Word have chosen for us our position in this. As the people of God we have but one place or position, to fight it in any form, any place, any where. Legalized or bootleg liquor has never saved one soul, forgiven one sin, established one home, enriched one life, improved one community. It has and ever will take bread from the hungry, clothing off the back, virtue and character from those who drink it. It will deaden the senses, destroy honor and sobriety, bring suffering and sorrow to innocent children.

"Wine is a mocker and strong drink is raging; he that is deceived thereby is not wise. At last it biteth like a serpent and stingeth like an adder." (Proverbs 20:1; 23:32).

Report On Christian Education

Our Baptist Colleges are fully accredited by our North Carolina College Conference and the Southern Association of Colleges and are basically liberal arts colleges, preparing their graduates for entering certain general professional occupations or transferring to other colleges and universities for further study. The costs for the student are comparable to those in other colleges of like standing with generous provisions for various types of financial assistance in grants as well as work scholarships.

Our junior and senior colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motive. We believe these colleges embody the "Seven Marks of a Christian College" as follows: 1. Christian Ownership; 2. Christian Faculty; 4. Christian Students; 5. Christian Ideals; 6. Christian Teachings; 7. Christian Service.

Believing that North Carolina Baptists have seven colleges working to make these seven marks of a Christian College effective in all respects, let's take a look at some interesting statistical and financial materials as follows:

Six of our seven Baptist colleges are coeducational; Meredith is for women only.

All of our colleges major in the liberal arts and sciences.

The junior colleges (and the senior colleges in selected fields) provide terminal courses in vocational areas.

Teachers in all the colleges meet frequently to discuss common problems and the improvement of their work in all subjects.

The Council on Christian Education of the Baptist State Convention of North Carolina is the correlating agency for all our seven Baptist Colleges.

All of our colleges are fully accredited by the Southern Association of Colleges and Secondary Schools, and are members of recognized educational associations.

One-eighth (7,634) of all students in North Carolina's 61 colleges and universities are enrolled in our seven Baptist colleges.

To these basic costs will be added certain special fees varying with courses pursued and individual choices. Financial aid available — for every student who merits and needs help: work scholarships, grants in aid, loans.

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help.

In the question, "What of the future of N. C. Baptist Colleges?" rests the future of our Baptist program. Without dedicated trained leaders we shall not be equal to the opportunities confronting us.

We attempt to keep our people informed about their colleges through the "Biblical Recorder," "Charity and Children," college publication, daily and weekly newspapers, and by providing preachers and speakers for special occasions, and by college visitation days. As Baptists we must have our colleges and our colleges must have our confidence, our love, and our support.

1958 Report On Biblical Recorder and Other Baptist Literature

No other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

When North Carolina Baptists organized themselves in 1830, Thomas Meredith, appointed by the body to send out a letter stating its purpose, said: "The Convention was organized for

the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The Constitution of the Convention soon afterward stated that its main purpose was "The promotion of missions, Christian education, social service, and the distribution of sound Christian literature." The Biblical Recorder was founded in 1833, to help carry out those noble aims. For 125 years, it has borne the Baptist message in North Carolina. By careful planning, and with the fine cooperation of pastors and their people over the State, we have had a good year in general, with circulation approximately 61,000 and growing. The Baptist paper ought to go into every Baptist home.

The Recorder and its staff members seek to be of every possible service to North Carolina Baptists. Remember us in your prayers; call on us for any service we can render. We want to be faithful to our task; that the Recorder may be a true and faithful witness every week in every Baptist home and community. We must all work together in the will of God as we strive to promote every worthy cause and object dear to the hearts of North Carolina Baptist people.

Report of Associational Missionary, Oct. 21, 1958 Of The Year Ending September 30, 1958

During the past associational year there have been many changes. Several of our fine pastors have moved to new fields of work, and our prayers go with each of them as they serve there. We have been blessed by the coming of other fine ministers to take the places left vacant. Three of our churches are in the process of extending calls to God-called men to become their leaders under Christ. Pray that the Holy Spirit will guide in each situation.

Several of the churches have built either a new sanctuary, an educational building, or a number of class and assembly rooms. Rockingham, First, East Rockingham, Hamlet, Second, McDonald, and others are among this group.

Saron Baptist Church is in the midst of its building program, consisting of a combination sanctuary and educational structure of brick and block construction, which should take care of its needs for years.

Ellerbe, First Baptist, is building a fine, three-floor educational building. The members are to be commended on their provision for the anticipated growth in coming years.

East Rockingham has a beautiful and well-rounded educational plant, which is serving also as the sanctuary. The people are striving to be more effective in serving their community.

Pray for this congregation and the new pastor, Rev. Reese D. Riggins.

Other churches are either building at this time, or are planning to begin their expansion in the near future. What a pleasure to see all this work being done in Pee Dee Association.

A large number of our churches have engaged in spring and fall revival efforts this year, resulting in their memberships being revived, and in the winning of many people to Jesus Christ.

Much has been accomplished through the Vacation Bible Schools. with thousands of children receiving needed training, and a large number of them accepting Jesus as Saviour and surrendering their lives to Him. The hundreds of officers, teachers, and helpers who gave so generously of their time and talents received spiritual strength and joy as they realized that indeed they were workers together with God.

There have been well-attended Pee Dee Sunday School, Training Union, Brotherhood Mass Meetings, and W.M.U. meetings of several organizations. Much good work has been done; more is left to be done.

There have been many associational activities during the year, some of which are: Pee Dee Executive Committee meetings, Sunday School, Training Union, Brotherhood, W. M. U. organizations, Life Service Club, Pastors' Conference, V. B. S. Clinic, State W. M. U. Annual Session in New Bern, Simultaneous Revivals in Pee Dee, W. M. U. Weeks of Prayer for Missions, Forward Program of Church Finance Clinic, Evangelistic Clinic, and others.

New mission work has been in progress in the area between Laurinburg and McColl, named Stewartsville Baptist Mission. This mission will likely be sponsored by one or more of our churches in the near future.

Good work is being done in some of the youngest churches—in Laurel Hill, Calvary, Old Hundred, and North Laurinburg. These churches need our prayers and concern as they move forward in the service of the Lord.

Your Associational Missionary has been honored to serve in some way most of the churches this year. The office has a number of helpful filmstrips waiting to be used, and the missionary has his projector and screen. It will be a pleasure to show these visual aids in your church. Contact the office if the missionary may be of service to your church.

The Cooperative Program Report

One of the most inspired ideas ever presented to and adopted by Southern Baptists is the Cooperative Program. The history of our denomination reveals the founding and the struggle of our institutions, commissions, and agencies, with little cooperation between departments of work and no great assurance of continued support for any phase of the Baptist program.

Dr. Pope Duncan, in **Our Baptist Story,** writes, "The organization of an executive committee of the Convention in 1917, and the launching of the Seventy-Five Million Campaign in 1919, symbolized the increasing desire within the convention for a coordination of its function and more cooperation by Southern Baptists in its great world evangelistic and missionary program. It was ten years, however, before the Executive Committee became a potent force in the convention."

In 1923 the Convention opened a Committee "on the Future Program of Southern Baptists." This committee, officially named the "Commission on the Future Program" led in a campaign for systematic giving through the churches. Dr. W. W. Barnes, in his **History of the Southern Baptist Convention,** states "Before 1919 very few churches had endeavored to enlist the membership in regular giving. The Seventy-Five Million Campaign demonstrated the possibilities and the method of enlistment. One of the abiding results of the Campaign was to show Southern Baptists the desirability and the possibility of enlisting the whole membership of the churches in the work of the Convention. The Commission on Future Program estimated in 1925 that there were 500,000 regular contributors among the church members; that fewer than 28% of the churches had any well-defined system of finance; that only about 37½% of the membership of the churches took any share in the support of the denominational enterprises."

In 1925 the Commission on the Future Program was renamed "The Cooperative Program," and since that date the term "Cooperative Program" has indicated our method of denominational work both in the State and in the Southern Baptist Convention.

In 1939 the Executive Committee reported to the Southern Convention, "The Cooperative Program is the greatest step forward in Kingdom finance Southern Baptists have ever taken. It was slow and gradual in its formation. It arose out of the desires and efforts of pastors and churches to find a plan whereby all worthy denominational causes might be cared for fully and fairly without conflicting with the necessary progress and work in the churches themselves. It is believed to be sane, scriptural, comprehensive, unifying equitable, economical, and thoroughly workable. It is based upon the assumption that all denominational causes will be included, that all agencies and institutions will cooperate in its promotion, that all pastors will represent and

present all causes and seek to secure regular, proportionate and adequate support by putting on the Every Member Canvass each year."

In 1958 we are more firmly convinced than ever that the Co-operative Program is God's plan of finance and promotion for Southern Baptists. We look toward the day when all of our churches will catch the vision of working together systematically and sacrificially for the furtherance of the Gospel. We believe that "The Forward Program of Church Finance" now being promoted by the Executive of the Southern Convention and the Secretary of Promotion within the State provides the method by which adequate support for Kingdom causes can be met. We urge our churches to evangelize the world and minister to the needs of mankind through the Cooperative Program.

1958 Report of North Carolina Baptist Homes For Aging

The Homes for Aging are now in their eighth year of operation. Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three homes have facilities for 119—counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home for the Aging to be located at Hamliton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957 showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen resi-

dents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Adminsitration Building. It now accomodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible—churches, individuals and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

NOTE: The Rev. Charles P. Burchette, Jr., began working with the Baptist Homes for Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts in the field of promotion and public relations, and will be ready to answer invitations to speak at churches and group meetings as the opportunities are given to him.

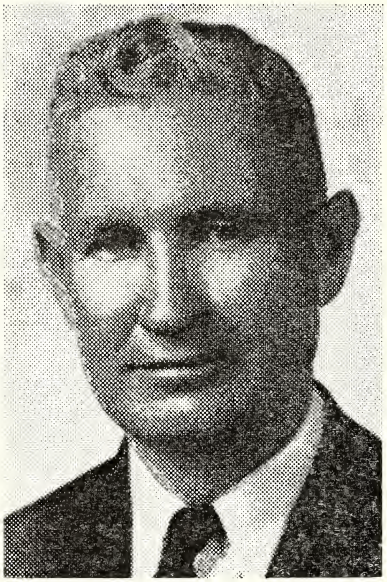
DEDICATED IN MEMORY OF

HENRY HUDSON McMILLAN



Henry Hudson McMillan, Southern Baptist foreign missionary, was born near Wagram in 1885 and died in Richmond, Virginia, in 1959 at age of 73½..

Dr. McMillan and his wife, the former Lelia McNeill Memory of Whiteville, served in Soochow, China, as representatives of the Foreign Mission Board of the Southern Baptist Convention for 37 years, following their appointment in 1913. They were sent to the Bahama Islands in 1951, after Communists occupied China. The couple retired in 1955 and made their home in Wagram.

Dr. McMillan graduated from Wake Forest College and rerecived his Master in Theology and Doctor of Theology from the Southern Baptist Theological Seminary in Louisville, Ky. Wake Forest awarded him a Doctor of Divinity degree. Before entering the mission field, he was principal of Fruitland Institute at Hendersonville. He also filled several pulpits in the Hendersonville area.

In China he engaged in evangelistic, educational and administrative work. He was associate secretary of the Kiangsu Baptist Convention, and when the Japanese attacked Central China, he bravely stood by his post.

Surviving are his wife, three sons, the Rev. Archibald W. McMillan of Wagram, Dr. John J. McMillan of Atlanta, Ga., and Dr. Campbell W. McMillan of Boston, Mass.; a daughter, Mrs. Titus C. Williamson of Whiteville; and eight grandchildren.

MRS. O. W. McMANUS

Born on April 27, 1876, and lived most of her life at the family homestead in the Gibson- Masons Cross section of Scotland County. The younger of the two daughters of James C. and Mary Gibson Mason. She graduated from Salem College, Winston-Salem, in 1896, and attended the 50th reunion of her class there in 1946. She taught school for several terms after graduation,

then devoted her time and efforts to home duties, church work and community endeavors.

She was married to O. W. McManus on December 3, 1919, and aided him in his pastorate of a combined field of two churches—Gibson and Bruton's Fork near Bennettsville, S. C., until his retirement in 1952. During this time she tirelessly and loyally engaged in all phases of church activities and at various times served as Organist, Sunday School Teacher, Girls' Auxiliary and Sunbeam Leader; Home Department and Cradle Roll Superintendent, and was for many years active in Training Union and Womans Missionary Union work, both local and Associational. She was also active in church visitation programs and enlistment of young people. She was forced to give up outside activities since 1953 because of declining health but was keenly interested in all phases of denominational work until her sudden death on October 18, 1959.

(Family requested no picture).

REV. J. MARVIN SMITH

J. Marvin Smith, aged 78, died September 1, 1959. Mr. Smith was a native of Stanly County, and had served churches in Stanly, Anson, Union, Montgomery, Moore and Richmond Counties. He served the East Rockingham Church for 30 years, and following his retirement had served as supply pastor for Cordova and McDonald churches near Rockingham. He served as a Baptist minister for 48 years.

The words of Charles Wesley contained in the following poem was spoken as a tribute to his life at the funeral:

"Servant of God, well done!
Thy glorious warfare's past;
The Battle's fought, the race is won,
And thou art crowned at last."

CULTIVATING THE ABUNDANT LIFE THROUGH THE TRAINING UNION

Our Pee Dee Association made up of 32 churches is blessed with 27 Training Unions making a total membership of 2482. Only 5 churches are without a training union. They are: Hoffman, New Hope, Norman, Old Hundred and Skyway.

Skyway has once had a training union which will shortly be re-activated. This will give us a goal of 4 new training unions for this year.

Now a few words as to cultivating the abundant life through the training union:

"Study to shew thyself approved unto God a workman that needeth not to be ashamed"—Yes, this scripture is one of the great watch-words of the Training Union, and if our Training Unions do not seek to cultivate the abundant life by the belief and practice of this scripture, then we are just coasting along with the wind and the crowd, down stream, with no place to go, no objective to attain, and no fruits for the Kingdom of God.

Cultivating the abundant life. Just what does this statement mean? I am sure that at some time each of us have planted seeds in the ground, whether they be flowers or vegetables. When we planted seeds in the ground, what did we expect? To be sure, we expected fruits for our labors and for our use. If we did not work in the ground, then the fruits would be poor, and perhaps dwarfted, and maybe no fruits at all to show for our beliefs in the seeds. Therefore, it is necessary that we cultivate the ground, which in reality is our own selves, using that which God has so wonderfully blessed us with if we would have fruits worthy to

give to our fellowmen and in the end to our Saviour Jesus Christ. These fruits to Him will look so small and poor when lined up beside those that He has cultivated for us. The abundant life?—Surely we all love to have a great abundance of things. Let us not forget, that the true and real abundant life does not rest in worldly things. In Ephesians the first chapter and the 17th verse, Paul, I believe, has reference to the abundant life when he says, "That the God of our Lord Jesus Christ, the Father of Glory, may give unto you the spirit of wisdom and revelation in the knowledge of Him." Certainly a complete knowledge of God and His Son, our Savious, Jesus Christ, will give to each of us a most joyful and fruitful abundant life. In Jesus Christ there is no end of abundance in life.

Each of us are aware of the fact that Training Union's prime purpose is to train in Church membership. The Church is the body of the Lord Jesus, and we as members of this great and wonderful body need to so fit ourselves that we can render unto God those things that belong to God. What does belong to God? You will surely say everything. Then that will include you and you and you. God's crowning creation was you and me. It was so wonderful in the sight of God that he made a way of escape from everlasting death that we might some day live and reign forever with Him and the Father, and in so doing bring to fruition that abundant life that He permits us to begin here on this earth.

Are you a good training union member? Do you love Jesus enough to put your whole physical self into your training union? Do you seek to study to prepare yourself to be of service to God and His Church in a way that will enable you to help lost people to know your Saviour? All of our Training Unions are working together to further the Kingdom of God here upon this earth. If you find one that has not this as its prime objective, then it is not of God, but is a tool of the devil.

Jesus said, "Go ye, therefore, and teach all nations." That is what our training unions are doing. Do you know that the starting of the support of a Missionary on the foreign field in my home Church was by the training union? Now the whole Church has caught the vision and the Church as a whole is giving the support. I believe that you will find that all or at least a great portion of our missionaries began, should we say, in the training union their first great thoughts of their life's work. Where can you better cultivate Bible reading than that, that is offered in your training union. The plan is so complete, that you at once begin to develop not just a habit, but a genuine love for reading the Bible. Your training union will develop you so that it will be not just a joy, but a compulsion to witness for your Saviour. You will want to go out among the lost peoples in your community

and tell them as Paul says in Romans the 5th chapter and the 8th verse, "God commendeth His love toward us, in that while we were yet sinners, Christ died for us."

Yes, we can cultivate a most abundant life through the Training Union, if we will but turn ourselves over to the master builder and let Him through the mold of the training union fashion our lives for His use and for His glory!

Respectfully submitted,
B. W. Sellers

CULTIVATING THE ABUNDANT LIFE THROUGH THE SUNDAY SCHOOL

In Arthur Flake's book on the Sunday School officers and their work, M. E. Dodd said the Sunday School is the friend of childhood; the inspiration of youth; the strength of middle life and the comfort of declining years.

The Sunday School has God's day for it's time, God's house for its place, God's Book for its text, and God's glory for its aim.

The Sunday School is officered and taught by Christian men and women who are freely giving their time, talents, powers and money to the end that the lost may be saved and the saved may be strengthened.

The Sunday School builds character, instructs the mind, warms the hearts, feeds ambition, encourages the faint-hearted, shields the tempted, and points the way of life for all.

The Sunday School deserves the sympathetic support, the prayerful interest, the loyal co-operation of every loving Christian, of every patriotic citizen, of every aspiring youth and every prattling child.

The Sunday School stretches out a friendly hand to one and all, old or young, and bids them enter into the Father's house and listen to the Father's voice as he speaks out of his Holy Word.

WE COME NOW WITH SOME FACTS AND FIGURES —

1—Decrease in Enrollment—

1956—8,028
1957—7,980— 48
1958—7,878—102

2—Decrease in Average Attendance—
1956-1957—263
1957-1958— 20—3 churches no report
3—Sunday School's not having Vacation Bible Schools—
1956—5
1957—6
1958—4
4—January Bible Study—
1956—11
1957— 8
1958— 9

We hope and pray that the thought of our theme and the spirit of this conference may challenge our hearts to go back to our churches with a greater inspiration to carry out the work of our Master, Jesus Christ throughout our Sunday School.

"CULTIVATING THE ABUNDANT LIFE IN ASSOCIATIONAL COOPERATION"

In the booklet, "Functions of the District Association," Dr. Courts Redford tells us: "the association is the oldest and most important organization of Baptist churches. It is vital to the fellowship and development of the churches. It is the connecting unit of denominational organization between the churches, boards, and agencies. More churches call for new associations. Well organized and functioning associations mean stronger churches and a greater denominational program. Attention should be given to the development of more efficient associations."

All of us realize that our association needs to become more efficient in every division of our witnessing for the Master. We are thankful for the many organizations which are doing good work, yet even here there is room for improvement. In the 1958 minutes of the Pee Dee Baptist Association are reported 23 Brotherhood and 13 Royal Ambassador chapters. This is encouraging but each Brotherhood and each R. A. chapter realizes it is not doing the best job of which it is capable. 27 of our churches have Sunday Schools; 26 churches have Training Unions; 28 churches conducted Vacation Bible Schools for their boys and girls last year

—we are thankful for these evidences of progress. But, again, surely we are not satisfied with what is being done.

Perhaps the majority of our churches had one or more study courses during the past year, but according to reports received by the associational offices, a number of churches did not have any plan of training for its people. Some people have earned awards for the study of a book, but no one made application for the earned awards. Each church could make some one person responsible for mailing all applications for the awards and diplomas earned, and create the office of Superintendent of Training. Most churches could schedule one study course each quarter.

Southern Baptists are fortunate in having perhaps the finest literature and books for training people to be found anywhere. This literature and these books deal with work in Sunday School, Training Union, Woman's Missionary Union, Brotherhood and R. A., Church Music, Baptist Student Union, Church Library, Church Recreation, Dramatics, Vacation Bible School, Church Officers and Pastors. Surely the instruction is for each of us: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." Most of us need to know more about the Bible, about doctrines, evangelism, leadership and administration. Too, we should read more in our missoins magazines, Royal Service, Home Mission Magazine, The Commission, and the Brotherhood Journal. If people really knew about the terrible needs of the millions dying without God and our Saviour, they would surely be more concerned about missions.

We may cultivate the abundant life in associational coopperation through our faithful witness to the infinite love of God, and through living a life of obedience to Jesus Christ who commanded us to go and make disciples and teach all people His will. Dr. C. E. Matthews wrote in his book, "Every Christian's Job," "It is the writer's belief that the greatest tragedy, next to one's dying without God and without hope, is a saved person's standing at the judgment day empty-handed, having lived in a world of sinners and never having won one soul to Christ." Rev. C. C. Luther asked this question: "Must I go and empty-handed, Thus my dear Redeemer meet? Not one day of service give Him, Lay no trophy at His feet?"

In the January, February, March, 1959, issue of Southern Baptist Brotherhood Journal, Russell Bradley Jones has an article, "Every Believer a Missionary." These words caught our attention: "Two things are forever true: First, soul-winners are the happiest and most Christ-like of all professing Christians, Second, a professing Christian is neither satisfied nor happy as

long as he neglects soul-winning.—At last it comes down to this: Only missionaries are New Testament Christian."

Perhaps just a few of us would not be able to do a great and needy task. But all of our churches in the association working together can do that job. Perhaps you are not able to provide financial support for a missionary, but working together with many other men and women in this association we are able to support a number of missionaries. In like manner, through associational cooperation we are able to build a school and provide teachers; purchase a printing press so that the Bible message may be sent out throughout a foreign land in the language of its people; open a hospital and staff it with doctors and nurses; buy land and build thereon a place of worship; find unwanted and hopeless children, and provide a home for them where they will learn they are wanted and loved; through associational cooperation, in short, we may in truth become "workers together with God." May we resolve that we will cultivate the abundant life through the cooperation of the churches in our Association.

REPORT OF WOMAN'S MISSIONARY UNION 1958-'59

We of Woman's Missionary Union feel that our work is steadily progressing and as "Laborers Together With God" we can accomplish much more for our Master.

We are stressing the point of training our women for we feel that trained women can do a more effective job in witnessing for Christ.

On October 9, 1958, our fall Leadership Conference was held at First Baptist Church, Hamlet, N. C. This meeting was well attended and we feel that our women learned much that will help them in their duties in their respective churches.

Each quarter of this associational year our officers went into a different part of the association and held informal conferences in order to familiarize our women with each phase of W. M. U. work.

We were very much impressed by our Home Mission Study Course which was taught by Dr. Clovis A. Brantley

of our Home Mission Board, SBC. This was held at Pine Grove Church, Rockingham First Church, and Hamlet First Church on three consecutive nights. This was done in order to reach everyone in the association.

Our annual meeting at Rockingham First Church was considered very successful. Our visiting missionary, Mrs. Ewell Payne, made each of us feel the necessity of faithfully supporting our total mission program.

May I take this opportunity to express my gratitude to all who have helped me so wonderfully in the past two years. I consider it a God-sent privilege to have worked with the W. M. U. in the Pee Dee Association. May we pray fervently that God will continue to bless this work for the upbuilding of His Kingdom.

1. That we express to the host church, the First Baptist Church of Laurinburg, our sincere appreciation for their warm hospitality. It is evident to all of us that everything possible has been done for our comfort and convenience.

2. That we voice our gratitude for the presence of our new Executive Secretary, Dr. Douglas Branch, and call upon our churches for greater support of all causes in our convention. We also express our thanks to each of the men who have come as institutional representatives: Dr. W. R. Wagoner, Children's Homes, Dr. W. K. McGee, Baptist Hospitals, Rev. W. S. Caudle, Home For Ageing, Mr. Claude F. Gaddy, Executive Secretary of the Council on Christian Education; and to Rev. Lee Pridgen and Missionary James P. Kirk of Brazil.

3. That we express our commendation of the program committee for the splendid work done on this program and throughout the year.

4. That we go on record as expressing to Dr. E. Norfleet Gardner, pastor of the host church who will be leaving the Association at the end of this year, our appreciation for his sound and courageous leadership through the years that he has ministered in our midst.

5. That we endorse the election of Marse Grant, who will assume duty as editor of the Biblical Recorder on January 1, and assure him of our prayers in his behalf.

6. That we urge upon our people the urgent necessity for a renewed dedication to Christ; that we may be equipped to meet the serious moral issues that will continue to confront us as Baptists.

SHARING IN WINNING THE PEE DEE AREA TO CHRIST

— Report of Associational Missionary —

Dr. Courts Redford, Executive Secretary, Home Mission Board, reminds us that "the association is the oldest and most important organization of Baptist churches. It is vital to the fellowship and the development of the churches, boards, and agencies. More churches call for new associations. Well organized and functioning associations mean stronger churches

and a greater denominational program. Attention should be given to the development of more efficient associations."

We are informed that when the Southern Baptist Convention was organized in 1845 there were only forty-five associations. At the close of 1955 there were 1,049 associations. There are seventy-eight associations in North Carolina, and last year 3,311 churches were listed in the North Carolina Baptist Annual with a church membership of 871,272. This is good, but when we think of 484 of those 3,311 churches not reporting even one baptism during the entire year, and 112 churches not contributing anything to any denominational object, we realize the great need for more earnestness in winning the lost, and in accepting the task given by Jesus Christ to witness and to make disciples.

We believe the churches in Pee Dee Association want to share in winning this area to Christ. Dr. Solomon F. Dowis in his new book, "Associational Guidebook," says: "The association is of prime importance to the local Baptist church." The reasons he gives are as follows: 1—through the association being the closest unit to the churches, 2—by developing the churches through personal contacts, helping them to develop their own program, and by church leaders counseling with each other, 3—by informing and inspiring the churches, and 4—by furnishing a channel for co-operative efforts.

In order to do a better work in winning the Pee Dee area to Christ there are some things which we believe will help attain that goal:

1. Each church becoming a four-star church, having the best possible Sunday School, Training Union, Woman's Missionary Union, and Brotherhood. Each church, too, should teach the importance of having good music, a library stocked with approved books, filmstrips on the work done at home and to the far reaches of the world, better recreation and fellowship facilities; in brief, the importance of anything that will cause that chuch to witness more effectively for the cause of Jesus.

2. Each church should be led to adopt the 2 PLUS plan of our Cooperative Program which is "Our World Mission Program." If your church is now giving a certain per cent through the Cooperative Program for missions throughout the world, help your church to adopt the Jubilee Advance Goal of a 2 per cent increase per year through 1964. In the August, 1959, Foreign Mission Bulletin, is the following statement: "By channelling into the Cooperative Program two per cent more each year of its total budget, any church can increase its mission giving, within five years, by at least ten per cent."

3. Each church is encouraged to plan an adequate train-

ing program, beginning with January Bible Study Week: "Studied in Timothy," and continuing with training in every organization and phase of our church life. Help your church to have the best two-week Vacation Bible School it can provide for the boys and girls. Church officers will appreciate some training, also.

4. Each church can emphasize "Teaching and Training Unto a Full-grown Christian" throughout 1960. It can lay the need of visiting for Christ upon each Christian, stressing personal witnessing as the divine plan for making disciples. John T. Sisemore in his book, "The Ministry of Visitation," states that the visitor must realize what it means to be lost: the lost person is guilty of sin, is dead in sin, is condemned before God, is without God or hope, and is facing eternal hell.

5. Each church is to keep before its people the importance of the Baptist Jubilee Advance during 1959-1964. Its emphases are as follows: 1959—Cooperative Witness; 1960—Bible Teaching and Training; 1961—Stewardship and Enlistment; 1962—Church Extension; 1963—World Missions; 1964—Third Jubilee Celebration. Dr. Porter Routh reminds us: "Southern Baptists are a part of 18,000,000 Baptists in 75,000 churches, representing all the Baptist groups on the North American Continent. They are joining in the Baptist Jubilee Advance beginning in 1959 and climaxing with the Third Jubilee Celebration in 1964." (Tract: "Baptist Jubilee Advance" p. 2).

6. Each church is encouraged to inform its members of the 30,000 Movement. Order the tracts from our Division of State Missions in sufficient quantities to give every member the information needed. Dr. C. C. Warren, Director, The 30,000 Movement, stated during August of this year: "The masses of our people are still not familiar with the basic facts concerning 'the 30,000 Movement.' Remind your people that this is a five-year program. We are off to a wonderful start. Over 7,544 new churches and missions have already been reported as of July 1, 1959. We must work and pray and keep this program before our people if we are to succeed." In the tract, "Thirty Things About 30,000," Dr. Warren says: "Our definition of a mission is: 'A mission is anywhere one or more members are sent from the local church or churches at regular intervals to preach or teach the word of God.' 'Are sent' means with the approval of the local church or the local mission committee. The slogan is 'Every Church With a Mission.' Impossible, some may say? Study the definition and try again." A number of helpful tracts may be had for the asking. If a mission or Sunday school is needed in your area, the Pee Dee Missions Committee and your associational missionary will be glad to help, if help is desired.

Dr. Julian S. Hopkins, Secretary, Evangelism Department, says in his "Suggested Annual Report to Association," "In the Great Commission Jesus said, 'Go' 'teach' with the purpose of making disciples, 'baptize' and 'teach' them to be obedient to Christ in all things. The only imperative in all these mighty words of action is 'to make disciples' or to teach with the purpost of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command. In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth." These are strong statements, but are they too strong? From Table A in our 1958 Pee Dee Baptist Association minutes we note 418 baptism and 325 letters and other additions during the year, but loss by death, transfer, etc., totaled 470 leaving a reported gain in church membership for an entire year of 273.

During this church year one new church has been organized, Beverly Hills Baptist Church, Rockingham, and one mission is being sponsored by First Baptist Church, Laurinburg. This is Stewartsville Baptist Mission, located on the Laurinburg- McColl highway. There are some other encouraging signs of advance, and it is hoped that through more definite planning our association during the new year will make great progress in its task of "Sharing in Winning the Pee Dee Area to Christ."

REPORT OF MISSIONS AND THE COOPERATIVE PROGRAM

Because we Baptists take great pride in calling ourselves a New Testament church, we believe in missions. We know that the gospel is not something to be hoarded, but a blessing to be shared with others. As someone has said, "If Christ did not die for everybody, He did not die for anybody." Therefore, sharing the good news of Christ with others is missions. We believe in missions because we believe in and love Jesus Christ.

All of us realize that there is much that needs to be done in this world, and no one church could even make the slighest impression considering the needs. So that is why we have the Cooperative Program. So that we may work together in the field of world missions so that we may make a definite impression for Jesus Christ.

However, for the success of any enterprise no matter how large or small, the one absolute essential is cooperation. This is true whether it is a business enterprise, athletic event, or a religious enterprise. As we traveled to this meeting, little did any of us realize that we were able to travel here over smooth high-

ways that were constructed at the cost of millions. Now, none of us could have hardly got out of our driveways for any distance if we had to travel over just the part we paid for. Yes, because of cooperation we can travel distances over excellent roads because your taxes and mine have been pooled together to provide such.

This very principle underlies the Cooperative Program. That is why I rejoice for every dollar my church gives through the Cooperative Program. I am having a share in the support of:

1. over 1,382 Foreign Missionaries;
2. over 1,282 Home Missionaries;
3. 24 departments of State Missions;
4. Helping to provide a Christian education through our colleges and seminaries;
5. a ministry in healing through our Baptist Hospital in Winston-Salem and the Southern Baptist Hospital in New Orleans.
6. commissions such as the Radio and Television Commission of the Southern Baptist Convention as well as many other objects.

How true it is that "the sun never sets on the work that the dollars given through the COOPERATIVE PROGRAM are doing."

However, one of the most disturbing incidents of my young ministry is concerning our attitudes many times toward such a cause. I have seen men fight this scriptural program, and then have the audacity to ask for it to be put in their salary. Was it not the Apostle Paul who laid the ground work of our own program by the example that he set when he urged the churches in different sections to make contributions for the poor at Jerusalem?

Then, I have seen individuals that in any budget committee always want to give the same no matter how other areas of the budget would be increased. But now every church has a challenging slogan to increase the percentage to the Cooperative Program by 2% each year. "2 Plus For World Missions" has become our motto.

May I conclude by giving you what Billy Graham said about the Cooperative Program. "Concerning the Cooperative Program, I believe that it is the greatest means ever devised by the church for the giving of one's tithe. I constantly urge people to give their tithes where their membership is. I have practiced this for a number of years giving my tithes to the church where I hold my membership. In private and public conversation, I support the Cooperative Program, without hesitation."

REPORT ON RELIGIOUS LITERATURE

There is no concrete way to evaluate the effectiveness of the Printed Word. There is no yardstick to measure its strength or its weaknesses. But since the 15th Century there has been constant and ever-increasing evidence that the printed word as such has been most effective in the education and influencing of civilized people.

We Baptists are quick to become apprehensive about some of the misdeeds in our communities and in our world. Just now, among other evils, we are concerned about the ever-increasing crime rate attributed to our young people. We are anxious to correct this situation, and there are many suggestions from all corners—as near as our reading chair—on ways and means of doing this very thing.

But did you ever stop to think that so much of our juvenile delinquency stems directly from parental delinquency? And parental delinquency is nothing but adult immaturity. Chances are when you go into the homes of immature adults, you'll find a fair supply of the "pulp" variety of reading material—the criminally slanted type, the sexy, the sensational and the licentious. There's plenty of it being printed, and carloads of it in steady circulation. Just ask your postmaster how many billions of dollars go into just this kind of most influential literature.

We are an educated people. Most all of us can read. Among the more important challenges in the Bible is the charge to read and to become informed. Dr. Roy McLain declares, "It is a sin to be uninformed."

Yet, what are we Baptists doing to inform our people of activities of our denominations and its agencies? What are we doing to inform ourselves on Christian work here and elsewhere? What are we doing to combat—or to compete with, if you will—this rising tide of filth in our supply of contemporarry literature? Are we constantly reexamining ourselves and are we keeping informed as we should be informed through our church publications?

The Baptist convention in this state supports two church weeklies—the BIBLICAL RECORDER, and CHARITY AND CHILDREN. One is considered a most excellent, though too much limited, publication by some. But neither can claim much circulation, about 65,000 at the most. With somewhere around 225,000 Baptist families in our convention, you can easily see this is a shamefully low figure.

We don't like to be compared with the Roman Catholics. But they have some knowledge in the publication field it would do well for us to acquire and put to work. With perhaps some 30 million Catholics in this country, that church has an aggregate

journal and newspaper circulation of more than 24,000,000 copies. They place much importance upon these periodicals because they pay big dividends. And there is a marked professional touch to every copy we have encountered, a quality lacking in some Baptist publications.

Just as a preacher must give time and thought plus years of formal education to the preparation and deliverance of his sermons, those in authority in our Baptist periodical field should place all out emphasis on assuring excellent professional journals and newspapers, for our hundreds of thousands who need to be both informed and provoked.

Baptists, like few others, need maturity in their publications. We need unbiased and objective journalistic leadership. We are fortunate in having a degree of it in our convention. But this is only a start. Effective literature, well circulated, can go a long way toward winning the world for Christ.

Respectfully submitted,
John H. Moore

SHARING IN WINNING THE WORLD TO CHRIST
REPORT ON PUBLIC MORALS AND TEMPERANCE

At a time when the attention of the world is focused on the achievements of scientists in the realm of space travel, and at a time when the world is greatly concerned over the relations between the communist countries and the democratic countries, nations are prone to neglect the true answer to the problems faced in our time. In a world wide brotherhood of true Christians there would be no cause for concern about an atomic war. Rather than seeking to enforce peace on earth through fear of atomic reprisals, nations need to seek universal peace through world wide Christianity. The United States has long occupied a most enviable position among the nations of the world: but the task of leading other nations toward God is made most difficult by the general concept of American people in the minds of the other peoples of the world. The influence of America as a Christian nation is crippled because our people set themselves up to the world as being Christians, and many times act so unlike Christ.

Because of the beams in our own eyes it is much more difficult to remove the mote from the eyes of our brethern around the world. The master planned for his disciples to witness wherever they were, and for every Christian first to clean up his own

house. The concern that is felt for the lost of the world must not be lessened, but we should not lose sight of the lost in our own community while striving to save the lost across the ocean: we must not lose sight of the lost in our own churches while striving to save the lost outside of any church. We need to be greatly concerned about the thousands in our own denomination who have their names on our church rolls, but who show no outward sign of ever having known our Lord as Saviour. If ever our denomination would have the impact it would upon sin in the world, we must lead our own people to a closer walk with God.

In the territory of our association we are faced with the usual tools of Satan: our courts are kept busy with the by-products of the sale and consumption of alcoholic beverages—broken homes, neglected children, families on welfare, rape and prostitution. The desire for easy money leads some to gamble and steal: we continue to have dishonesty in many walks of life, including cheating in our public schools. We continue to have violations of our traffic laws by many good people who even boast about such accomplishments to others: this might lead to a general breakdown of respect for law and order among our people. There have been evidences of efforts to peddle obscene literature and pornography to our young people through the mails, and there is a continuation of the advertisement of the products of alcohol and tobacco through the media of radio television and magazines. Christians need to be more vigilent than ever in the fight against these elements of sin, and in guarding against new infiltrations of the forces of evil in our midst.

We have great cause for rejoicing in the victory the Christian people won during the year over those who would have placed one of our counties in the business of selling whiskey: and we are justly proud of the part played by our denomination in this fight against beverage alcohol. We are concerned that we be organized in our constant fight against evil in every form—but we need to fight evil wherever it is. May we begin anew by first cleansing our individual lives of all elements of sin, and then we shall be more effective in dealing with the sin of our neighbor. Let us earnestly seek a moral revival in the hearts of our people. For some time there has been in existence a worldwide organization called "Moral Rearmament.' This organization has as one of its aims the bringing about of a better understanding by soliciting the people of all nations to be (1) Absolutely honest in their dealings with all men (2) Absolutely pure (3) Absolutely unselfish (4) Absolutely loving. May we resolve as a denomination to see to it that our individual members are absolutely honest in their dealings with God and with man. May we be absolutely Christian and absolutely Christ-like, so that the world may know

when a Baptist professes to be a follower of Jesus, that he lives up to what he believes. May we so live that when we pray for God to make the world a better place in which to live, we shall be putting wings to our prayers by doing all we can to make those prayers come true.

REPORT ON WORK OF NORTH CAROLINA BAPTIST HOSPITAL

The North Carolina Baptist Hospital at Winston-Salem and Bowman Gray School of Medicine, which is next door, combine to form an important medical center for the state. Here, the sick receive hospital and medical care, young people are trained to serve in various branches of the medical profession, and vital research work is done.

Baptist Hospital is unique in that it is mainly a REFERRAL HOSPITAL, open to all our people in need of specialized medical care not available in home communities. Approximately 90 per cent of its patients come from referrals.

The care of the needy sick is the heart of Baptist Hospitals ministry of healing. This work is supported by North Carolina Baptist churches through the Mothers Day Offering. Forty per cent of patient care in 1959 was for the needy sick. Visits to the OUT-PATIENT DEPARTMENT in 1958 were double the number of 1948. (1958—66,607). In addition there were 65,858 visits to the PRIVATE DIAGNOSTIC CLINIC in 1958.

The Hospital is continually seeking to get the best in EQUIPMENT. An example is the COBALT 60 MACHINE for treatment of cancer installed in 1957, the first of its kind in the state.

In an intensive training program, Baptist Hospital trains approximately 500 students a year for work in medical and pre-medical professions. In addition to clinical teaching for 3rd and 4th year students of BOWMAN GRAY SCHOOL OF MEDICINE, the hospital operates 7 paramedical schools. They are: Schools of Nursing, Medical Technologist, X-ray Technicians, Medical Record Librarians, Nurse Anestihetists, Practical Nursing and Pastoral Care.

REPORT ON SUGGESTIONS FOR COOPERATION BETWEEN THE ASSOCIATIONAL MISSIONARY AND CHURCHES, PASTORS, AND ORGANIZATIONS OF ASSOCIATION

It is understood at the outset that the Associational Missionary is the friendly co-laborer of pastors, organizational leaders, and the churches of the association. He offers his services in a manner to assist where he can. At the same time he is selected by the association as a leader, whose duties are to study fields for improvement and advance, to propose methods for carrying out a worthy program, to assist in weak places, and to help unify the many phases of the total Baptist program.

There are four areas of service in which the missionary labors:

1. AS A REPRESENTATIVE OF THE DENOMINATIONAL PROGRAM.

Inasmuch as the missionary's salary is paid in part, by the Baptist State Convention of North Carolina, and inasmuch as emphasis must be given to our total cooperative denominational program—local, statewide, and worldwide — the missionary, by virtue of his office, must be the person to lead out in the promotion of the total Baptist program. In a sense he represents the boards, agencies, and institutions of the Convention.

II. WITHIN THE ASSOCIATION HE WILL SUPERVISE THE ORGANIZATIONAL ACTIVITIES.

1. His work corresponds to that of a pastor or an educational director in the local church.

2. He will not necessarily be the elected head of any organization, but will advise, correlate, and seek to improve the efficiency of the associational organizations, such as Sunday School, Training Union, Brotherhood, and Woman's Missionary Union.

3. It is important that the missionary work with every appointed leader of associational organizations in the development of programs to be present by the organizations.

4. In the associational program:

a. He will assist in planning Sunday School and Training Union enlargement campaigns and study courses which are conducted on an associational basis.

b. He will assist in promoting the work of Vacation Bible Schools.

c. He will assist in promoting the various associational schools:
Pastors schools.
Schools of missions.

Deacons Schools

School of Christian Stewardship.

Other similar schools and clinics.

III. THE MISSIONARY HAS A FUNCTION IN RELATION TO THE CHURCHES.

1. He will work hand in hand with the pastors of the association who need his counsel and aid.

2. He will arrange with the pastors a series of visits, so that he may appear at some program of every church at least once a year to set forth the work of the association on that visit.

3. He will work with the church which has no pastor, aiding in the regular services, advising the church or its pulipt committee as to persons and courses of action in the selection of a pastor.

4. He will work with churches in which any type of difficulty has developed, if invited.

5. He will work with an organization within a church when there is need for his service and when his schedule permits.

6. He will aid smaller churches in the matter of forming fields of churches.

7. When needed he will assist the churches in evangelistic efforts, in setting up church budgets, or in similar matters.

8. It is recommended that when churches use the missionary as a supply minister that the churches give into the associational treasury the sum of money they would normally pay a supply minister.

9. It is understood that in all the foregoing suggestions we recognize the autonomy of the local church, and that the missionary stands ready to serve in every possible way but will not impose himself upon any church or churches.

IV. THE MISSIONARY HAS A FUNCTION IN THE MATTER OF MISSION POINTS, NEW WORK, ETC.

1. Working with the Missions Committee of the Association he will seek strategic areas for new churches or mission points.

2. Working with neighboring churches, the missionary will stand ready to serve in revival services or organizational activities in establishing or strengthening mission points, mission Sunday Schools, or new churches.

Finally, we recommend that the following be the conditions of service of the missionary: that he shall have two weeks of vacation each year, the privilege of holding two revival meetings a year and keeping the remuneration therefrom, the privilege of giving up to three weeks per year to denominational work outside

the association, and the privilege of attending such state and southwide Baptist Conventions or conferences as may be deemed wise by the committe, and to the extent the budget allows.

REPORT ON NORTH CAROLINA BAPTIST HOME FOR AGING

The ninth year of operation of the Baptist Home for Aging began March 16, 1959. All three of the Homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled practically all the year to capacity—119—counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

Since the average age of a resident is about 80 years, there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilsons Mills, N. C. He died July 13, being 99 years of age. He was a resident of the home nearly eight years, and for the past two years was a patient in the infirmary of the Headquarters Building. He was, indeed, a great soul, and all connected with the Home keenly miss him.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the infirmary at Headquarters have been prepared, and construction of 28 additional bedrooms should begin by September or October.

The two most pressing needs of the Homes for the Aging now are (1) to finish raising the funds to start construction of the Hamilton Homes, and (2) to raise about $75,000 to cover the bal-

ance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

Would you like to have a generous part in helping to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Richard Forrester

REPORT OF THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous Church groups have visited the three campuses. Continued financial support has been encouraging. Awakening interest in your Child Care Program has been advanced in many respects.

Program Studied

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscientious study of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

Children Served

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through financial assistance of the Mothers Aid

program 40 children were able to live with their mothers. Supervisions and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

Cottage Construction

Three cottages are currently under construction—one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys cottage at Mills Home. The H. C. Ferrebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administrative offices, living accomodations as well as kitchen and dining facilities for the Indian boys and girls.

Administrative Change

Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

Significant Convention Action

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

More Adequate Financial Support

The Convention has voted to bring the Childrens Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send Once-A-Month offerings and special gifts. Designated gifts from Churches to the Children's homes will be administered by the Convention in the same manner as designated gifts from Churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes

have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

What Of The Future?

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

K. E. Haigler

REPORT ON CHRISTIAN EDUCATION

In a recent speech, Dr. Leon Hollingsworth, Chaplain of Wake Forest College, described Christian Education as a venture of faith—faith in God, faith in those who are engaged in Christian Education, and faith in the truth it seeks to know and share. The experience of North Carolina Baptists justifies this great venture.

In recent years there was a shadow of mistrust that appeared between the local Church and our Baptist institutions of higher learning. Committees were appointed by our State Convention to study our total program and also to examine carefully our colleges. Out of this work has come, not condemnation, but a greater area of trust and understanding.

We are sure that our day demands enlargements, not withdrawals. It is our belief that our schools are ready to meet the challenges of the day. We are proud of our two senior colleges, Meredith and Wake Forest; and our five junior colleges, Chowan, Campbell, Gardner-Webb, Mars Hill, and Wingate. Each of these institutions has a distinct contribution to make. It will not be long, we hope, until Wingate and Campbell become four-year schools.

If each of these schools are to reach the dream that we have for them, North Carolina Baptists must give them adequate support. The aid given through the Cooperative Program must be increased. During recent years our churches have been urged to designate Father's Day as a time of special emphasis on Christ-

ian Education. An offering is taken for the support of our colleges.

One president said to a group recently, "More than anything else, your colleges need the prayers of the Baptists of North Carolina."

With these prayers we must also offer our interest in all that is being done, our faith in the schools and their administration, and liberal support in accord with the tremendous needs of each institution.

Respectfully submitted,
Scott Turner, Jr.

CONSTITUTION

I. Name

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

II. Purpose

The purpose of the association shall be to promote Christian fellowship and co-operation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in a world mission program.

III. Membership

A. The association shall be composed of messengers elected from the churches affiliated with it. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

B. Churches wishing to affiliate with the association shall make written request to the Missions Committee. This committee shall present the names of all churches applying for membership at the annual meeting. Each shall be received without vote under watchcare for one year. The committee shall make a thorough investigation of the petitioning church as to its doctrines, practices, and support of the association, the Baptist State Convention of North Carolina and the Southern Baptist Convention. It shall recommend to the association at the next annual meeting one of three actions:

1. Acceptance of the church into associational membership.
2. Further consideration for action at the next annual meeting.
3. Rejection of the petition.

C. The association may at any time withdraw from any church which it considers to be unsound in principle and practice.

IV. Officers

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, historian, and three trustees. These officers shall be elected by the association at the last session of the annual meeting as the last item of business. The moderator and vice-moderator shall be nominated from the floor. The other officers shall be nominated by the Nominating Committee. All officers shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. The moderator and vice-moderator shall be limited to not more than two successive years of service.

V. Authority

A. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

B. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

VI. Organizations

A. The association shall promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library and other organizations which are in keeping with the purpose stated above.

B. The officers of the associational Sunday School, Training Union, Woman's Missionary Union, Music, Library and Brotherhood shall be elected by their respective organizations. Each organization shall furnish a list of the officers to the associational

Nominating Committee prior to the annual session. The Nominating Committee shall present these officers to the association for approval at the time of the election of the officers of the association. Those persons selected for officers in these organizations will serve in cooperation with officers already serving until they are approved by the association, at which time they shall assume full responsibility.

VII.

A. The association shall elect an Executive Committee consisting of the pastor and one layman or lay woman from each church in the association. The officers of the association, namely, moderator, vice-moderator, clerk, treasurer, and historian, shall be ex-officio members of the Executive Committee, and shall serve as respective officers of the committee. All other officers and chairmen of standing committees, and the Associational Missionary shall be ex-officio members. (Ex-officio members shall not have the right to vote unless they are also members of the Executive Committee elected as representatives of their respective churches.)

B. The Executive Committee shall attend to all matters of the association between annual sessions.

C. The Executive Committee shall hold regular quarterly meetings. The chief officers of Sunday School, Training Union, W. M. U., and Brotherhood, along with the associational treasurer and the associational missionary shall make written reports of their work at each quarterly Executive Committee meeting. The Executive Committee shall make an annual report to the association.

D. The Executive Committee shall elect the associational Nominating Committee at its meeting three months prior to the annual associational meeting.

E. The Executive Committee shall not have power to entitle a church to affiliate with the association or have representation on the Executive Committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

VIII. Meetings

A. The association shall meet in annual session on Monday (afternoon and evening) and Tuesday (morning and afternoon, following the third Sunday in October.

B. The Executive Committee shall have power to change the stated time and-or place of the annual meeting in case of necessity.

IX. Committees

A. The association shall have the following standing committees: Missions, Finance, Program, Calendar, Evangelism, and Nominating.

B. The Nominating Committee shall nominate all of the above committees for election by the association, with the exception of itself. The Nominating Committee shall be elected in the manner described in Article VII Section D above.

C. The duties of the above committees shall be those adopted by the association in 1959 and printed in the minutes of that year. The associational missionary shall provide each committee member with a copy of the duties of his respective committee, along with the names of other members of that committee, as soon as possible after the annual session.

X. ASSOCIATIONAL MISSIONARY

REPORT ON FRUITLAND BIBLE INSTITUTE

Fruitland for many years was a Home Mission Board High School and for a few years a Junior College, but was forced to close during the depression years. The Baptist State Mission Board bought the property about 1945. In the meantime, a school for mountain preachers had developed at Boone, N. C., under the leadership of J. C. Canipe, then pastor of the First Baptist Church of Boone. Secretary of the General Board, M. A. Higgins, who had already arranged for the purchase of the Fruitland property, seeing the need and possibility of some sort of permanent teaching program for ministers who had not had the opportunity of a formal college and seminary education, invited Bro. Canipe to come with the Convention and move the already existing preacher's school to Fruitland.

The school opened at Fruitland Oct. 15, 1946, with forty-six students enrolled. It has continued to open around the first or middle of October and closes about the last of March.

Fruitland is located seven miles east from Hendersonville, one mile off Highway 64. There are two large brick buildings on the

campus which are used for the school. The Sullinger building houses the administration, the book store, concessions, and cafeteria. Also there are enough rooms in this building to accommodate 150 students. The Justice building, where we have an auditorium, class rooms, library, and reading room.

Our curriculum includes Old Testament, New Testament, Homiletics, Christian Education, Evangelism, Church History, Christianity, Theology, Rural Sociology, Biblical Interpretation, and English. Credits by seminaries and other schools will be evaluated by transcript to these schools. We award a certificate for each six weeks session and a diploma to those who stay with us for three six weeks sessions per year for three years, with the understanding, of course, that the student passes his work on written examinations. Our Motto: We take good preachers and help make them better preachers.

A registration fee of $10.00 is charged each year, to be paid on registration. The cost per-week is $9.00. This covers board and room. Each student furnishes his own transportation to and from school, his sheets, pillow cases, towels, etc. School begins each Monday at 5 P. M. and closes each Friday at noon.

There are a few scholarships for worthy men which must be arranged through the Director, and the committee of the General Board. We have more than 300 men who have graduated who are serving as Moderators, Clerks, Pastors, Evangelists and Missionaries. Fruitland Baptist Institute is pouring new and vitalized life from better prepared, Spirit filled men into our churches and denominational work in North Carolina and surrounding states.

Anyone interested in a better Theological education may write for an application blank to Fruitland Baptist Bible Institute, P. O. Box 1120, Hendersonville, N. C. Rev. Fritz Hemphill is new Director.

Raymond E. Crow, Public Relations Committeeman.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Pee Dee Baptist Association met three times since the annual meeting of the Association.

The following action has been taken by the Executive Committee:

1. A nominating Committee has been elected to secure the "Standing Committees" since their duties were defined at the annual meeting but no committees were elected. This Committee is composed of Carl Lewis, Coy Privette, Cloyes Starnes, Mrs. D. C. Haithcock, and Scott Turner.
2. Richard Forrester was elected chairman of Evangelism.
3. The Nominating Committee is to secure the leader for

the Life Service Club since they do not elect their own leader.

5. Request was made for aid from the State Board for the Old Hundred Church to be Continued.

Respectfully submitted,
C. R. Yarborough, Clerk

REPORT OF ASSOCIATIONAL MISSIONARY

It has been a personal privilege to serve almost all of our churches during the past year in some manner. Among these activities were 48 sermons, 4 prayer meeting messages, 28 study course periods, 20 Sunday school classes taught, 1 minister and 4 deacons ordained, 3 ordaining council meetings, 4 Brotherhood messages, 10 filmstrips shown, 32 committee meetings, 37 group conference, 14 meetings outside the association, including two weeks of conferences at Southport and Ridgecrest, 260 other meetings conducted or attended, and about 500 individual conferences, 4,689 Pee Dee Reminder bulletins, 1,244 letters and cards and several hundreds of calendars were mailed. 13,345 miles were driven in behalf of the association.

Many encouraging signs may be noted. For example, Hoffman church nearing completion, Sunday school rooms being added at Oak Ridge, Laurel Hill, and other places, half-time churches going full-time, attendance upon church services good, with fair interest being shown in associational mass meetings. Schools of Missions are being scheduled for March 19-24, 1961, at which time probably most of our churches will participate. The Regional Music Director, E. Bruce Sloop, Minister of Music in First Baptist, Hamlet, has a School of Music planned for the Baptist churches in Hamlet for January 30 through February 3, with all pastors in the association invited to attend. Also planned is a School of Music for all the association later. A Sunday School Clinic for our association is planned, when a number of our state leaders will come and help us build better and more effective schools. There were more than 20 Vacation Bible Schools this year, and our boys and girls were helped greatly, and many of them accepted Jesus as Saviour and Lord. It is difficult to over estimate the value of Vacation Bible Schools in the training of our boys and girls.

Other signs are not encouraging. During 1958, there were 418

baptisms, in 1957, 310; during 1958, 6,951 resident church members, in 1959, 6,793; during 1958, Sunday school enrollment was 7,878, in 1959, 7,508. There was also a decrease in enrollment in our Training Unions, Woman's Missionary Unions, and Baptist Brotherhoods. Our total mission expenditures in 1958 were $71,974; in 1959, the total was almost $7,000 less. Even our designated gifts to Children's Homes dropped from $4,049 to $2,355 during the two years, almost $1,700 less. We gave about $400 less to Baptist Hospital in 1959 than in 1958. These figures should give us grave concern, and cause us to search our hearts as to the reason for this lessening of interest.

A letter, dated October 10, received from Julian S. Hopkins, Director, Division of Evangelism, stated: "Reports received throughout the state on baptisms for this associational year now ending indicate that we will fall 20 to 25 per cent short of the record made in baptisms in 1959. In 1959, almost every association in the state had an associational-wide effort in evangelism, known as Simultaneous Revival Crusade. In 1960, many of the associations did not have Crusades. This certainly points up the urgent need for unified efforts in the associations and full preparations for the efforts."

Dr. Duke K. McCall, President, Southern Baptist Theological Seminary, told of the smaller total enrollment in our six seminaries in 1960. He said: "In 1951 Southern Baptists ordained 1,996 new ministers. This declined until at the end of the decade, in the year 1959 only 840 were ordained." Another disturbing statement Dr. McCall made is this: "It appears that Baptist churches will baptize from one-fourth to one-third fewer people (this year) than the 429,063 who were won to Christ in 1959."

The year 1961 of Baptist Jubilee Advance (1959-1964) has for its emphasis "Stewardship and Enlistment." May each of us realize that he is to be one among the "Partners in Obedience" to the command of Christ. May we apply to ourselves the fact, "Moreover it is required in stewards, that a man be found faithful."

R. T. Willis, Jr.

REPORT ON BAPTIST JOINT COMMITTEE ON PUBLIC AFFAIRS

A standing committee of the Southern Baptist Convention, the Public Affairs Committee, represents us on the Baptist Joint Committee on Public Affairs. Of our Convention committee of fifteen members, Walter Pope Binns of Missouri is chairman and our own Charles B. Deane of Rockingham is a member. The Joint Committee represents nine and a half Southern Baptists and five other major Baptist denominations, Negro and white, with con-

stituences totalling twenty million, the largest non-Catholic religious group in the United States of America.

A Southern Baptist-tall, handsome, scholarly, forceful J. M. Dawson of Waco, Texas—was the first executive director of the Joint Committee, with headquarters in Washington, D. C. His successor, now serving, is C. Emanuel Carlson, former dean of Bethel College in Saint Paul, Minnesota. The associate director is W. Barry Garrett former editor of the Baptist Beacon in Arizona. Last year the Joint Committee spent almost $43,000, or $2,000 more than their reported income. Two-thirds of this, $28,000, came from Southern Baptists.

Once from the Capital steps George W. Truett enunciated Baptist principles of separation of church and state. The influence of our spiritual forebearers helped insure the First Amendment to the Constitution of the United States writing this principle into law. Our strength for right still is felt. Candidate Jack Kennedy answered a question in Houston asked by E. H. Westmoreland, a Southern Baptist pastor. This week's TIME magazine pictured five Southern Baptist pastors: Ramsey Pollard, Ted Adams, W. A. Criswell, Carlyle Marney, and J. D. Grey.

The Joint Committee carries on a four-fold program. First is its information program. It sends out news stories, **Report from the Capital**, pamphlets, and the like. Second is the study program. In 1959 a Religious Liberty Conference was held with 94 leaders from six different fellowships. Some work is done among colleges and seminaries. Third is the public relations program. Here our viewpoint is made available to government agencies. Fourth is the co-ordination program. Part of this is encouraging state organizations.

Thirty-two years ago a Quaker, Herbert Hoover, defeated a Catholic, Al Smith, for the Presidency of the United States. North Carolina went for Hoover. This year a Quaker from Whittier, California, Richard M. Nixon, is running for president against a Catholic, John F. Kennedy, my schoolmate at Harvard University twenty years ago. Kennedy's father was a millionaire and mine was a missionary. I would rather be poor and the son of a missionary and sleep well at night than be the son of a millionaire whose financial empire was built up largely from whiskey and have on my conscience all the lives ruined by that poisonous liquor.

As for the vice president candidates, Henry Cabot Lodge, also a Harvard man, the Republican, is an Episcopalian, and Lyndon Johnson of Texas, a Democrat, is a member of the Christian Church.

Most Quakers believe in the peaceful approach and many of them are pacifists. In that regard Nixon does not hold with that basic Quaker tenet, because he was in the service and talks as if he would not shirk his military obligation if he becomes president

and thus commander-in-chief of our armed forces. But Quakers allow much individual liberty and the inner voice of conscience, so probably Nixon can be a good Quaker and a military leader, too. Can Kennedy be a good Catholic and a good President, too? That is the $64,000 question, and I would not venture to answer it. Professor Robert A. Baker of Southwestern Seminary in Fort Worth, Texas, said that a Catholic, in order to be saved, is supposed to oppose freedom of religion, our public school system with no religious dogma taught, and the separation of church and state. Kennedy speaks as if this is anachronistic and provincial, for Europe of the nineteenth century and not America of the twentieth. In this he may be sincere; or he may be a liar, though I should hate to say so; or he may be saying something now to be repudiated later, though this would be hard to do; or the Catholic Church may be winking at a temporary aberration in order to add Kennedy to de Gaulle and Adenauer as Western Democratic leaders. May we be calm and Christian in our consideration and then vote our sincere conviction next month.

Archie McMillan

REPORT ON AMERICAN BIBLE SOCIETY

The Bible is "The Book for Everyone." This is more than a slogan. It is the deep conviction of the American Bible Society and of all who recognize their stewardship of the Word of God. If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. But in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave, and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. It helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost.

During 1959 the American Bible Society—

—donated more than a million Scripture volumes for distribution by the Chaplains to our Armed Forces and to patients in Veteran's Hospitals, providing a vital link between the home churches and the men and women in service.

—approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

—rejoiced that some part of the Bible has been published in 1151 languages the full Bible in 219, a Testament in 271 more and a Gospel or other complete book in 661 more.

—continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain, Africa, Latin America, Japan, Korea and India—and to many Chinese now living in other countries outside the communist-controlled China mainland.

—distributed a total of more than 17½ million Scripture volumes. This was an increase over the 15 million volumes averaged in recent years, but still short of urgent needs.

Last year all the Bible Societies of the world together distributed over 27 million volumes of Scriptures. But that is less than the number of people who learn to read each year!

Many people around the world now wait for the Bible—wait for gifts to the Bible Society to make up the difference between the cost and the price they can pay. How long must they wait?

Southern Baptist Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Soicety for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

One year, 1958, Southern Baptist church led all denominations in gifts to the American Bible Society. But in 1959 Southern Baptist gifts of $144,200 stood second. Methodists led with gifts of $156,244. Gifts from all churches in the U. S. A. totaled $955,135.

The help of every Southern Baptist church is needed each year. Has your church given to your American Bible Society this year? Please send gifts to your Baptist state office marked "for the American Bible Society".

REPORT ON MISSIONS AND THE COOPERATIVE PROGRAM

For ages the Baptist churches have borne the title "missionary" It might be well for us to consider whether or not the title is justified. How missionary are we in spirit and in deed? Most of our churches and most of our members have an interest in missions, but few churches and few individuals will claim that

they have done their best for the cause of our Lord in carrying out the Great Commission.

In our day the demand for missions is greater than ever. We may consider all the nations on earth and realize that as yet no nation is Christian. Our own beloved country falls far short of our Saviour's expectations. While the membership of all churches and synagogues is reported to be 112,226,905, or 63.4% per cent of the total population of 178,000,000, all of us realize that far fewer than 112 million are "on the Lord's side". It is doubtful if half this number are people who have experienced regeneration. It is likely that not more than 60,000,000 people can be called Christian, and the number of committed followers of Christ is much smaller than that figure. Last year the American people spent $9,210,000,000 for alcoholic beverages, $6,376,000,000 for tobacco, and gave only $3,939,000,000 for all religious and welfare causes. A nation that spends twice as much for tobacco and three times as much for alcoholic beverages as for the purposes of God cannot be called a Christian nation.

It is estimated that the world's population today is 2,900,000,000 and the membership of all evangelical churches is only 210,000,000. The world's population last year increased by 48,000,000, but all Christian groups combined report only 12,000,000 conversions. Therefore, the world's population is increasing four times as fast as people are being won to Christ. We must face the fact that we are losing the world!

For a number of years Southern Baptist Churches have used an inspired plan of denominational support, the Cooperative Program, through which funds are channeled to our various agencies, institutions, boards and commissions. This is a systematic and ideal plan for carrying on all our work and should receive greater support from all churches. Many of our people are alarmed by two facts: one, the percentage of funds going from our churches to mission support is decreasing rather than increasing; two, there is a strong trend toward designated gifts rather than denominational support through the Cooperative Program.

What are we doing in the Pee Dee Association for world causes? The 1959 minutes show that our churches with a membership of 8,517 gave $32,297 through the Cooperative Program, and $65,171 to all missions and beneficiences.

All of the agencies and institutions of the Baptist State Convention of North Carolina cry out for greater support. The Home Mission Board has 1,626 missionaries serving throughout the territory of the United States and received for support from the Cooperative Program in 1959 $2,655,304 and from the Annie Armstrong Offering, $2,126,085. The Foreign Mission Board now has 1,454 missionaries under appointment to 44 countries across the world, and received for support from the Cooperative Program

$7,465,913 and from the Lottie Moon Christmas Offering, $6,778,-559. The per capita income of Southern Baptists for 1959 was estimated at $1,916, giving a total income for Southern Baptists of $18,173,788,816. The tithes of Southern Baptist income would have been, $1,817,378,881.60, but the total offerings of Southern Baptists for all causes were $454,448,720.

We have the plan, the Commission, and the resources for meeting more of the needs of the world. Let us become honest with our Lord.

G. Carl Lewis

REPORT OF THE NORTH CAROLINA BAPTIST HOSPITAL

One of the many ways through which people the world over experience God's Blessing and Healing is in the Ministry of our Hospitals. We, Baptists of the Southern Baptist Convention of the State of North Carolina, of the Pee Dee Baptist Association, are required to be Faithful in Caring for our Sick. This is a channel through which we may reach and serve the people of our communities, of our states, and of the world in the Name of our Lord who loved us enough to give His Very Life for us.

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing at one time or another. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or of pocket books. It strikes the rich and the poor alike—the widow, the orphan, and the aged. There are times when they need such specialized care as that available at our Baptist Hospital at Winston Salem, N. C. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with the matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. This ministry needs your co-operation and mine. It needs the co-operation of all Baptists everywhere. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this Fund determines for the most part the amount

of help our Hospital can give these persons who need the ministry of our Hospital.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we must become more serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church—not for the hospital, but for the Sick people that you and I know who are in need of such a ministry.

In our Pee Dee Baptist Association, twenty (20) of the thirty-three (33) churches contributed to the hospital through the Mother's Day Fund. Twelve (12) did not contribute through this Fund. The amount, as of August 11, 1960, is $1,390.21 contributed by you. The Hospital conveys its appreciation to you for your contributions. We must accept the appreciation which is extended to you and to me by the hospital, but also, we must accept the challenge to a greater and more dedicated life as we seek to serve mankind in the Name of our Lord.

REPORT ON CHRISTIAN EDUCATION

Through a division of Christian Education in the Baptist State Convention of North Carolina the work of seven colleges is promoted. These are Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan, and Campbell. In the last year there were enrolled in these seven colleges some 8,100 students. Their annual operating costs were above $10,000,000 with approximately $500,000 of this coming through our Cooperative Program plan of giving. An additional $600,000 was provided for capital outlay or plant improvement and expansion. Without the addition of new buildings it is not possible for these colleges to enroll many more students than the number taken last year.

Last year, 1959, there were graduated from our North Carolina high schools 42,954 students. Of this number there were 32,441 white high school graduates. It is safe to estimate that of these 32,441 graduates, 15,000 were Baptists. Almost exactly one out of three enrolled in some college last September, leaving the other two out of three without college training. So of our 15,000 Baptist

youth graduating from high school in 1959, 10,000 never enrolled in college. Of this 10,000 ending their education with high school, one-fourth of them were in the upper third of their high school graduating class. Thus, we see that a majority of our Baptist young people will never become ministers, teachers, lawyers, doctors, nor any of the many other professions open only to those having an opportunity to go to college. Of the 8,103 students in our seven Baptist colleges last year, 5,000 were Baptist. There were some 13,000 Baptist students in other colleges.

It is believed that by 1970 we shall have in North Carolina not 15,000 white Baptist boys nad girls graduating from high school each year but 30,000; and that we may expect a much larger percentage to go to college. It seems conservative to predict that at least 35,000 Baptist boys and girls will be in college within ten years. The question confronting us is where shall we provide for their college training? Shall we maintain the status quo in our Baptist colleges and ask the state to provide for them through increased taxes, or other denominations to provide for them in their colleges, or would it be better for Baptists to face the facts with vision and courage and provide Christian education for their future leaders? Let us not be afraid to think together and ask God to guide us to do His will in whatever we do.

REPORT ON THE BAPTIST CHILDREN'S HOMES IN NORTH CAROLINA, INC.

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165 children, and Odum Home at Pembroke with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend the public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes af-

fords case work service throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care P ogram is supported through the Cooperative Program 31.5% Thanksgiving Offerings 31.1%, Once-A-Month Offerings 21.9%, Special Gifts and Endowment 15.5%.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increasing Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need of such services inc eases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of Charity and Children, June 1, 1960. We invision under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptist will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet needs confront us each day. Your continued interest and increasing support will help us to meet them.

Scott Turner Jr.

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God's gift to the Homes for aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibility of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, it is now in use. It is hoped that the construction of the proposed new Hamilton Home can be started soon, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and

worked so tirelessly in bringing this fourth Home to fulfilment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes—Resthaven, 20; Albemarle, 34; and Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things **from** God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, we have received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Day Offering in February. Although this amount is $123,000 short of our goal of $200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

REPORT ON RELIGIOUS LITERATURE

As the new year comes in, it is an excellent time to resolve anew to read well and wisely in the days ahead. What are you reading? The power of the written and printed word has hardly been exceeded by that of the spoken word since man learned to write. Words can conquer the minds of men today as completely as swords once conquered their bodies.

In the first century the four written Gospels were as four chariots to bear the Good News across the lands of the Near East. The Apostles preached well, but they also wrote, in the last book of the Bible, we are admonished to write, as well as to read. The power of the printed word can hardly be overestimated: and it may be used for great evil, as well as great good.

Who uses the printed word to great effect? The Jehovah's Witnesses own and operate the world's largest Religious printing Press and Publishing House. They spend millions each year in their fanatical zeal to win converts to their preverted ideas of Christianity. The Roman Catholic press in the United States has a total magazine and newspaper circulation of almost 30 million.

What are we Baptist doing? Are we placing the word in our homes as we should? Let us make 1960-61 a year of good reading. Throw out the trash, and let us replace it with religious literature. The Biblical Recorder, and other Religious literature, for our young people, as well as Adults. That they may grow in spiritual deeds instead of evil deeds.

1960 Report of the Associations on the Bibical Recorder and other Baptist Literature.

This has been a year of change and transition for the Biblical Recorder, your Baptist state paper since 1833.

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carpenter who retired after 17 years in the editor's chair. Editor Grant came to the Recorder after 10 years as editor of Charity and Children.

Since the first of the year, a number of changes have been made in the Recorder, including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the Recorder was rated among the top three state papers in the Southern Baptist Convention. The Recorder staff will not be satisfied until it rates No. 1 among the 27 state papers.

For the price of a 3c or 4c postage stamp, the Recorder can come into your home each week. For only $1.50 a year, or 3c week, the Recorder can be sent to every family in your church. For a 4c stamp each week, or $2.00 a year, you can receive the paper in the Club Plan of four or more subscribers in the same church.

Certainly our Baptist families are worth 3c or 4c a week. Most of us subscribe to at least one daily paper at a cost of more than $20 a year. For one tenth of that amount or less, you can get the Recorder and never miss the small amount it costs. With the many crucial issues coming up in the world today almost daily, it is imperative that Baptists be informed about them. The best source is your Baptist state paper.

A continuing campaign is being made to put the Recorder in more church budgets. Deacons and finance committees are urged to consider this at the earliest possible moment. As every

pastor knows, an informed membership is essential if a church makes progress.

Make no mistake about it. The printed page is going to win the battle for men's minds and hearts. The great movements of this world depend heavily on printer's ink to get their messages across. Baptists can do no less if we are to stay in this battle to win the loyalties of men and women, boys and girls.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the Bibical Recorder and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, corruption and darkness will reign."

REPORT OF ANNUITY BOARD

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called the Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastors salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute then all our pastors will be protected

and all of our churches carrying out the command of our Lord.

At present, (10 and missionary) churches in our association contribute to this phase of our work. This is a denominational program and deserves the support of all the churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, N. C. who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

PEE DEE BAPTIST ASSOCIATION SUNDAY SCHOOL REPORT

During the past year we have been fortunate to have our regional Sunday School Superintendent meet with us and help make plans for the year. Some we have met, others we have not. Much has been done, but there is yet so very much to do. We give you these facts and figures:

Enrollment	V. B. S.	Enrollment
1958—7,878	1958—4 churches without.	
1959—7,508	1959—5 churches without	1959—3,026
1960—7,479	1960—5 churches without	1960—3,071

January Bible Study	September Preparation Week
1958-9 churches observed.	1959-7 held.
1959-10 churches observed.	1960-8 held.
1960-14 churches observed.	

Four associational Sunday School Mass meetings were held during the year.

When we stop to realize what a great part our Sunday School plays in the work of our churches, we should strive harder than ever to be "Found Faithful" in this work. The object of the Sunday School is to win the lost, and to strengthen the Christians through the teaching of the Bible. The Sunday School plays a great part in winning the lost. "Of those enrolled in Sunday

School who are unsaved 1 out of 3 is won to Christ each year. Of those not enrolled in Sunday School who are unsaved, 1 out of 240 is won to Christ each year. In most Baptist churches, approximately 85% of the people who join the church are first reached by the Sunday School." (E. Stanley Williamson.)

After listening to Missionary Troy Bennett on his report from East Pakistan we have truly been challenged "to be found faithful". As we look back we see we have not really done our best.

In Merril Moore's book "Found Faithful" he gives an illustration of a Federal Bureau of Investigation Agent riddled with bullets who lay dying in a midwestern hospital. He had been told that he could not live, yet as he answered questions there was no hint of anger or desire of vengeance against the men who had shot him in the back. In a brief period of consciousness he gave the identity of his murderers clearly and quietly. Then when asked if he had any message, he said, "Tell Mr. Hoover I did my best." If a young man will do that for Mr. Hoover or for his government, to what limits should a Christian go to do his best for Jesus Christ?

PEE DEE BAPTIST ASSOCIATION TRAINING UNION REPORT

In presenting the report of the Associational Training Union, I would first acquaint you with the fact that I am filling the unexpired term of Rev. Russell Hinton, who, since accepting this responsibility, has been led of God to accept a pastorate in another area. Therefore, most of what I shall report, will reflect the work done by Mr. Hinton.

The **Purpose** of the Baptist Training Union is expressed in the statement of the Apostle Paul, when he voiced the desire "that the man of God may be perfect thoroughly furnished unto all good works." II Timothy 3:17. It is the organization charged with the responsibility of training Christians in the privileges and obligations of Church Membership. We have a great objective—to deepen the spiritual lives of its members. We have a great ministry—to help members develop specific skills. We have a great method—active participation, proven by its successes. And it is the task of the Associational Training Union Department to lead the churches of our Association to the realization of this purpose.

The **Activities** of the Training Union have been many and varied in 1960. Perhaps the best meeting, from the standpoint of interest, and attendance, was "M-Night", when 673 Training Union members gathered in the First Baptist Church of Rockingham

for a program that was both inspirational and challenging. The Youth Rally was especially interesting, and many young people from across the Association attended this service. The Training Union Department was responsible for at least 8 meetings in the Association last year, including our Training Union Tournament, several Mass Meetings, and executive and leadership conferences. It may be hoped, however, that in the future our attendance at these meetings may be increased, that greater advantage may be taken of the privileges afforded thereby.

The **Challenge** to the Training Union organization is unmistakable. There is not a Standard Training Union in any of our 33 churches. Of 290 Study Courses awards earned between October 1959 and March 1960 not a single one was awarded to a Church in our Association on Training Union Methods and principles—a deficiency that needs to be corrected. From a total Training Union enrollment of 2,211 we had only 6 to participate in our Tournament. May I remind you that this is a function of our Training Union aimed at familiarizing us with the use of God's Word. Our enrollment dropped between 1958 and 1959, by 271; our average attendance by 342, and we had three less Unions in 1959 than in 1958. 24.24 per cent of our churches now report no Training Union—an average of one to four. We have nearly 5,000 professing Christians who make little or no effort at training themselves to become better servants of the Lord Jesus.

I conclude by briefly stating the **Goals** of the Associational Training Union. We have but to remember the former part of this report to see where our greatest need lies. We would endeavor to reach the Churches that do not now have a Training Union; we would help them enlist their unenlisted Church members; and we would train those reached—that we might all offer acceptable service unto our God. To this end, we dedicate ourselves.

Respectfully submitted,
Avery Lumsden

REPORT OF WOMAN'S MISSIONARY UNION

"Not by might, nor by power, but by the Spirit, saith the Lord of hosts". Zechariah 4:6 There is a story behind this verse of scripture, chosen as the W. M. U. watchword for 1959-1960.

In 538 B. C., Cyrus, the King of the Medes and Persians, took Babylon and the Hebrew captives came under his lenient authority. He allowed many of them to return to their own country. Led by Zerubbabel, they began to rebuild the temple. Then work was stopped and for many years nothing was done. A young prophet, Zechariah, became the voice of God for the people and new hope sprang up among them. His message to them came

through a vision, a golden candlestick on which was a bowl topped by seven lamps. On either side of the lamp was an olive tree. Zechariah did not understand at first but then he realized the lamp would call to the minds of the people not only their high vocation but the way the oil was supplied. The true source of light and power as shown by the vision is the oil symbolic of the Spirit of God.

Many of the women of our W. M. U. have accepted this message and have done greater work than ever before. Greater numbers are reading mission study books. There is an increase in the use of the prayer calendar. There is more soul winning visitation. The Foreign Mission offering has increased in many of our churches. The annual spring meeting in Ellerbe was well attended. Our people were challenged by inspirational messages brought to us by Miss Miriam Robinson, the State Executive Secretary, and Mr. Fred Hawkins, Missionary to Brazil. We gave two scholarships of $100.00 each this year; one to Miss Martha Jacobs of the First Baptist Church, Hamlet, N. C., a first year student at Mars Hill College, and one to Miss Nancy Henry of the First Baptist Church, Rockingham, N. C.; a first year student at Wingate. A leadership conference was held for all local officers and chairmen that they might have training for their work. A very successful G. A. rally and Sunbeam day camp for eight year olds were held this year. We had several societies receiving recognition on the Aims for Advancement, one being an Honor Society. We had one new W. M. S., one new G. A., and one new Y. W. A. this year.

Mrs. Sam F. Key.

BROTHERHOOD REPORT

Slowly the Brotherhood is getting larger, bigger in numbers, stronger spiritually and a blessing to Baptist laymen. Today there are thirty four churches and missions in the Pee Dee Association. Twenty three of them have brotherhoods. I find the most successful brotherhoods are those that do not meet on Monday nights. Not only is the Brotherhood becoming strong in numbers but church membership entertains an objective attitude of consideration that heretofore was mostly apathy and tolerance. Churches are fast awakening to the fact that Brotherhood will be one of the big factors in helping the church to advance and maintain influential leadership. Today the Brotherhood does much toward enlightening Baptists in their efforts to arrive at a comprehensive understanding of their duties in the furtherance of mission work in this nation and in foreign lands. The Church needs financial help today more than ever, nations that have lain silent and dormant these many years are awakening, clamoring for enlightenment, asking for spiritual help, emerging to take their places in our 20th century world. To take advantage of these opportunities the Church must rely more on the Brotherhood than ever before. Mission work cannot be

furthered without missionaries and missionaries must have financial support to keep on doing the good work they have done these many years. Too many church people are content to accept only minor responsibility in the work of their church. In that particular the Brotherhood is doing its part in convincing laymen they must become more effective and useful Christian workers. Realizing the needs laymen entertain greater motivation to help further the divine plan for the church and for all the world. Daily we are discovering and developing methods that will mean more toward making the Brotherhood an evangelistic arm of the church than any organization in the church. At present there is more cooperation between the churches and the Brotherhood and it is appreciated.

Respectfully submitted,
John D. White.

EVANGELISM REPORT

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this Atomic Age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inexcapable responsibilities. We are Christians and we must share with those who are not Christians. We are the children of light and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this be true, and no doubt it is, and if Southern Baptists are the leading Evangelical denomination in America, we must match this hour with total dedication to evangelism.

Therefore, we recommend:

1. That our association make plans to participate in the Baptist Jubilee Revival in 1964, and in any other years prior to then in which it seems feasible.

2. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.

3. That every church promote a perennial program of evangelism within the local church.

4. That every church consider having at least two revivals during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.

5. That each church follow the **Revival Plan Book,** thus

pray, plan and work to reach the maximum number of lost souls during revivals and to experience a new depth of spiritual life.

6. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into the fellowship of the church.

Respectfully submitted,
Richard A. Forrester.
